Exorcising Terror:

Exorcising Terror Ariel Dorfman, 2002-07-09 Renowned author Ariel Dorfman obsessed for twenty five years with the malignant shadow General Pinochet cast upon Chile and the world followed every twist and turn of the four year old trial in Great Britain Spain and Chile as well as in the U S the country that had created Pinochet Told as a suspense thriller filled with court room drama and sudden reversals of fortune the book at the same time addresses some of today s most burning issues made all the more urgent after the terrorist attacks of September 11th 2001 What are the limits of national sovereignty in a globalizing world How does an ever more interconnected world judge crimes committed against humanity What role do memory and pain and the rights of the survivors play in this struggle for a new system of justice But above all the author by listening carefully to the voices of Pinochet s many victims explores how can we purge ourselves of terror and fear once we have been traumatized and asks if we can build peace and reconciliation without facing a turbulent and perverse past

 Chile is the world s driest desert a vast barren expanse where a person can live an entire lifetime without ever feeling a
 single drop of rain where rivers vanish into the sands and trees are all but unknown But this forbidding landscape has many
 stories to tell an observant inquisitive traveler Someone like Ariel Dorfman Renowned as a poet essayist novelist and
 playwright he combines eloquence passion and personal experience with a sure sense of place and a keen eye for the telling
 detail that brings history to life for this account of his journey through the desert is also a chronicle of modern Chile Like an
 archaeologist he sifts through shards of memory to recreate a world that no longer exists but still casts a long shadow over
 his native land Talking of Trees Olive Senior,1985 Surviving Mexico's Dirty War Alberto Ulloa Bornemann,2007-01-15
 This is the first major book length memoir of a political prisoner from Mexico s dirty war of the 1970s Written with the
 urgency of a first person narrative it is a unique work providing an inside story of guerrilla activities and a gripping tale of
 imprisonment and torture at the hands of the Mexican government Alberto Ulloa Bornemann was a young idealist when he
 dedicated himself to clandestine resistance and to assisting Lucio Caba as the guerrilla leader of the Party of the Poor Here
 the author exposes readers to the day to day activities of revolutionary activists seeking to avoid discovery by government
 forces After his capture Ulloa Bornemann endured disappearance into a secret military jail and later abusive conditions in

three civilian prisons Although testimonios of former political prisoners from other Latin American nations have recently come into print there are very few books about Mexico s political wars and none as vivid and disturbing as this *Unity*,2003 **Journal of the Gypsy Lore Society** ,1928
