Forty Deuce A Play:

Forty-deuce Alan Bowne, 1983 *Contemporary Gay American Poets and Playwrights* Emmanuel S. Nelson, 2003-06-30
Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author s critical reception and primary and secondary bibliographies **I**

Know Nothing About Tennis Steve Eubanks, 2014-12-20 Millions play the sport and even more watch it on television yet tennis remains a new and intriguing adventure for the hundreds of thousands each year who grab a racquet for the first time This book provides a lighthearted and yet authoritative introduction to the sport with information on its history fashions rules equipment etiquette and other tennis topics The Circuit Rowan Ricardo Phillips, 2018-11-20 Winner of the 2019 PEN ESPN Award for Literary Sports Writing The Circuit is the best sports book I ve read in years maybe ever Rich Cohen author of *The Chicago Cubs* and *Monsters* As sports writing goes The Circuit is unusual in the very best way Rowan Ricardo Phillips writes with such fluidity and packs the book with bursts of brilliance This is a compulsively readable guide to one truly Homeric year of professional tennis John Green author of *The Fault in Our Stars* An energetic lyrical genre defying account of the 2017 tennis season In The Circuit A Tennis Odyssey the award winning poet and Paris Review sports columnist Rowan Ricardo Phillips chronicles 2017 as seen through the unique prism of its pivotal revelatory and historic tennis season The annual tennis schedule is a rarity in professional sports in that it encapsulates the calendar year And like the year it s divided into four seasons each marked by a final tournament the Grand Slams Phillips charts the year from winter s Australian Open where Roger Federer and Rafael Nadal renewed their rivalry in a match for the ages to fall s U S Open Along the way Phillips paints a new vibrant portrait of tennis one that captures not only the emotions nerves and ruthless tactics of the point by point game but also the quicksilver movement of victory and defeat on the tour placing that sense of upheaval within a broader cultural and social context Tennis has long been thought of as an escapist spectacle a bucolic separate bauble of life The Circuit will convince you that you don t leave the world behind as you watch tennis you bring it with you Table Tennis and how to Play it M. J. G. Ritchie, Walter Harrison, 1902 *For the Gay Stage* Drewey Wayne Gunn, 2017-05-21

Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London's West End. This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U.S. and U.K. and from Ireland, Canada, Australia, New Zealand, and South Africa. Also included are Puerto Rican, Indian, and Filipino plays written in English as well as translations from other languages. Well over half of the works discussed here appear for the first time in such a study.
