Foundations in Educational Administration Southwestern Cooperative Program in Educational Administration, Laurence De Fee Haskew, Kenneth Ernest McIntyre, 1954* **Foundations in Educational Administration** University of Texas. College of Education, Kenneth Ernest McIntyre, 1954 Foundations in Educational Administration University of Texas. College of Education, 1959 New Foundations for Knowledge in Educational Administration, Policy, and Politics Douglas E. Mitchell, 2013-04-03 This book probes the intellectual foundations of scholarly inquiry into educational administration policy and politics The question of whether and if so how social science theories and methods contribute to an understanding of these issues is hotly debated today Is there really a scientific basis for evaluating and or improving educational administration politics and policy The contributors all recognized scholars in the fields of educational organization administration policy and politics tackle the question of epistemology directly addressing anew what rules of scholarly conduct should guide research and practice in the field and how those rules of inquiry should guide the training of scholars and education professionals The Introduction places the chapters in a common intellectual framework for rebuilding confidence in social science inquiry and of the legitimacy of the university as an arbiter of scientific knowledge claims New Foundations for Knowledge in Educational Administration Policy and Politics Science and Sensationalism is directed to research scholars faculty graduate students and policy agency staffers in the fields of educational policy politics and administration educational evaluation and educational foundations It is well suited as a text for graduate courses in these areas

Foundations of Educational Administration Willard R. Lane, Ronald G. Corwin, William G. Monahan, 1967 **Foundations in Educational Administration**, 1953* *School Administration as a Craft* Arthur Blumberg, 1989 Foundations of Educational Administration Willard R. Lane, William G. Monahan, Ronald G. Corwin, 1971 **The Cultural and Social Foundations of Educational Leadership** Romuald Normand, Leif Moos, Min Liu, Pierre Tulowitzki, 2021-07-12 This book identifies the cultural and moral foundations of country specific educational governance and

school leadership and presents the principles of justice and the diversity of common goods that guide leadership practices in schools. It contributes to an existing research field that studies diversity and ethical leadership in schools. The social dimension of school leadership is not limited to issues related to equality and equity or social inclusion. The capacity of leaders to promote civic mindedness and social cooperation, consensus and acceptance of others, the right balance between freedom and duties and reciprocity of obligations are essential to maintain democratic rights and facilitate the life together while respecting ethnic and cultural differences. Therefore the book gathers contributions from a range of international authors capable of reporting these moral and cultural features while broadening the research perspectives on school leadership.
