A Refresher Course With Applications to Economics and Business

Douglas Downing, Ph.D. and Jeffrey Clark, Ph.D.

This volume will help you strengthen the statistics theory you once learned, but has since faded away. In addition to basic topics, you'll find an alphabetical reference section, tables for normal, Chi-Square, t , and F distributions, descriptions of computer software applications, and more. This text provides a refresher course that also can be used as a supplementary text by students currently enrolled in a statistics course.
