Forgotten Truths:

Forgotten Truths Robert Anderson,2007-04-01 He was one of the most popular lay preachers and Christian apologists of his day Sir Robert Anderson devoutly believed that the Bible was the inerrant word of God and in this popular 1914 work he corrects some mistaken beliefs about the Good Book that are held by even devoted Christians From the special blessing God bestows upon Gentiles to misconceptions about how and when Jesus will return Anderson sets the facts straight as he interprets them from the Bible and in the process inspires a return to a strict reading of Scripture as the path to true communion with God While at Scotland Yard Irish police official and religious scholar SIR ROBERT ANDERSON 1841 1918 helped investigate the Jack the Ripper murders but he is best remembered for his works of Bible study including *The Coming Prince* *Daniel in the Critics Den* and *The Silence of God* **Five Forgotten Truths** John R. Gaters,2015-10-30 Five Forgotten Truths will call Americas Christians back to the truths that have been literally forgotten If youve ever sat in church and thought there must be more to it than this then you need to read this book It will lead you to a deeper walk with Christ and to a much better understanding of God and His great plan of redemption What about salvation Who is saved and how are we saved Does God really expect us to be holy in our everyday lives How do we achieve that And what about stewardship Do I have to attend church every Sunday to be a Christian Five Forgotten Truths answers these deeply practical questions but also reveals the big picture answers behind them Who is God and why did He create us What is His plan for the world For me There really is more to it than this and this is the book to help you find the answers youve always asked for but have never received *Restoring Lost Truths* Donald Werner,2016-02-29 The Book of the Revelation tells us that Satan deceives the whole world and causes them to wonder after the Beast follow his teachings and that s happening today What are those teachings that have deceived the whole world Surprising enough those false teachings are coming from within the church which left its Apostolic Hebrew Roots This Book will shock amaze and bless you It will reveal to you critical Biblical truths that were lost or perverted over the centuries These lost truths have caused some of the churches core doctrines to no longer be in harmony with the Scriptures Those that are deceived by the false teachings revealed in this book are unknowingly on the Broad Way leading to destruction they have accepted a false God and a false Gospel What is revealed in the book is staggering you will wonder how could this happen Then you will ask yourself Could I be deceived This book will challenge your beliefs and your understanding of God **A Lost Truth** Reginald Heber Starr,1893 *Forgotten Truths* Robert Anderson,1914 *The Salesianum* ,1928 *Literature* ,1898 *The Theosophical Path* Katherine Augusta Westcott Tingley,1919 *Theosophy* ,1918 **The Congregationalist** R. W. Dale,James Guinness Rogers,1885 *The Outlook* Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1910 *Forgotten Truths* Robert Anderson,2018-04-02 The early demand for a new edition of *Forgotten Truths* gives proof that truths which have been let slip by so many are still cherished by not a few The only adverse criticism the book has evoked is that which was anticipated in

the closing pages of Chap 12 In the early years of my Christian life I was greatly perplexed and distressed by the supposition that the plain and simple words of such Scriptures as John 3 16 1 John 2 2 1 Timothy 2 6 were not true save in a cryptic sense understood only by the initiated For I was told the over shadowing truth of Divine sovereignty in election barred our taking them literally But half a century ago a friend of those days the late Dr Horatius Bonar delivered me from this strangely prevalent error He taught me that truths may seem to us irreconcilable only because our finite minds cannot understand the Infinite and we must never allow our faulty apprehension of the eternal counsels of God to hinder unquestioning faith in the words of Holy Scripture Nor was this a plausible effort to evade the special difficulty raised by a misuse of the great truth of election for a kindred mystery permeates our whole existence We are conscious of possessing a free and independent will which enables us to turn hither and thither as we please and to do good or evil Were it otherwise indeed the Divine judgment of the sinner would be unjust And yet when we review the consequences of our conduct we recognise the hand of God True it is that we think of Him only when the consequences are serious but as the Lord explicitly taught His sovereignty declares itself even in the fall of a sparrow All this has its counterpart in relation to the promise of the Coming The believer and the infidel are agreed that in Apostolic times the saints were taught to regard the Lord s return as a hope that might be realised during their lifetime But now we are asked to acknowledge that the infidel is right in maintaining that this was entirely a mistake For it is argued the Lord cannot come till the number of His elect is complete And Ephesians 1 4 is construed to mean that at some epoch in time prior to 4004 B C or whatever date be fixed for the foundation of the world people now living were made beneficiaries of God s favour It follows therefore that as ex hyp the number of the elect was not complete prior to this twentieth century of our era the Advent could not have taken place at any period in the past and possibly the thirtieth century may dawn before the promise is fulfilled And when in amazement we seek for some explanation of the words Surely I am coming quickly we are told that with the Lord a thousand years are as one day 2 Peter 3 8 See p 84 post But does any one really imagine that there is a celestial timepiece with a thousand year dial Is it not clear as light from the language of these and kindred Scriptures such ex gr as Psalm 90 4 that eternity is God s domain Therefore is it that His judgments are unsearchable and His ways past finding out For eternity is not unlimited time but the antithesis of time whereas time is the law of our being the condition under which all created things exist Trench Synonyms Those who put a special meaning on certain words in Gospel texts can plead with truth that these words are sometimes used in a restricted sense But no plea of the kind is tenable here I am surely coming quickly Yet a very little while and the Coming One will come and will not delay These words are too definite to admit of any second meaning and to refuse to take them literally is equivalent to challenging their truth But how then can we explain the fact that they are still unfulfilled A solution of that most perplexing difficulty is supplied by the following pages R A **The Healer-preacher** George Saunders,1884 **Microcosmus** Hermann Lotze,1897 **The Judaeae Addresses Selected** ,1927 **Theou Sophia** Holden Edward Sampson,1918 **The**
