Best Seasonal Spreads for 2021 by David Carli Book printed in full colour Seasonality for commodities is certainly an advantage which no other financial market possesses However we should nonetheless distinguish and separate amongst the many seasonal windows those that are backed by motivations that go beyond the price trend on a chart from those that are mere statistics This is what I always attempt to do in my own trading with commodities When I analyse and evaluate a spread I first of all ask myself why is this seasonality present every year What is the reason behind it It was not enough to simply be told by SeasonAlgo or Moore Research that a certain calendar spread on coffee had a bullish seasonality I wanted to investigate and understand the reasons if any behind that seasonality This led me to over time create a list of spreads which I consider valid where the majority of seasonality is due to precise reasons I have collected them in this book where you will find a list divided by commodity with all the spreads for 2021 Obviously you do not have to consider this list as the holy grail but rather you should always analyse each spread to 360 degrees as I explained in my book Commodity Spread Trading The Correct Method of Analysis You have to discover whether the current situation is ideal or not for seasonality to be confirmed or conversely to figure out that conditions are not sufficient With Commodity Spread Trading The Best Seasonal Spreads for 2021 no subscription is necessary which saves you a considerable amount of money Use this book with the free SpreadCharts app and you will be fully equipped to trade commodity spreads in a professional and proficient manner What are you waiting for Scroll up and add Commodity Spread Trading The Best Seasonal Spreads for 2021 now **How to Make A Fortune Investing in Seasonal Commodities** TradeWins Publishing Corporation,1999-01-01 **Real-time Proven Commodity Spreads** George Angell,1985 This book updates spread trade Mr Angell originally published in 1980 Learn 20 specific trade strategies that have been proven successful in real time One Pork Belly spread has been 100% correct since 1972
