It is a resource material which tells you why you have to win. Resurrect that dream from the dead, wake up from slumber and pray into your destiny. Try and be all God has called you to be. The power that went to work at creation is still available from God, the architect and master planner of the earth. You can apply some winning strategies outlined in this book to your circumstance and under the power of God you can live a victorious life. You can win in life. You have that authority to dominate your life. Live it. *Destiny's Fight* is sequel to *Destiny's Garden*. In it, Christiana shares how she was able to cope with her challenges, her anxiety about growing up, and God's intervention. This book is written to encourage people who are anxious about their future or that of their loved ones. You can be all you want to be. Your child or ward can be all that they are meant to be. Find out how this is possible as you read along. [The Magic of Metaphysics](#) Betty McNeal, 2013 Tired of the average self-help book? [Coyote](#) Allen Steele, 2025-12-16 An interstellar adventure of earthborn people seeking freedom from tyranny on another world from a Hugo Award-winning author. The totalitarian United Republic of America rose from the ashes of a nation that once represented democratic liberty on Earth. Its rulers wish to expand their ideological ambitions to the stars where they will establish a new colony on an inhabitable moon known as Coyote. The crew and colonists aboard the *Alabama* undertaking this mission are not representatives of the Republic. They are those who have suffered under its cruelty and seek the free life that has long been denied them. More than two hundred years have passed since these intrepid rebels stole the starship and left Earth. The colonists have endured tragedies during their journey and struggle to survive with scant resources on an alien world with dangerous life forms to make Coyote their home. But those still living on the despotic planet they left behind have not forgotten them. Full of pleasant surprises. *The New York Times* Book Review: One of the best space exploration novels. *Rocky Mountain News*: An homage to wonder, hope, and determination.

Steele has constructed this glorious tale of a new starflung Mayflower from the legacies of Heinlein Twain Hemingway and others and he has founded it on the essence of America Stephen Baxter multi award winning author **Now** ,1920

Coyote Rising Allen Steele,2025-12-16 A Hugo Award winning author presents a generational saga about the fate of human freedom on a colonized alien world The settlers of the extrasolar moon Coyote escaped the tyrannical United Republic of America on Earth to create a home for themselves where they could pursue lives free from persecution a colony they named Liberty But that regime was overthrown by the Western Hemisphere Union a social collectivist government that seized Republic resources and followed the colonists across the stars to claim the settlement and the world as Union property Outnumbered and outgunned by an occupying force Coyote s pioneers nevertheless refuse to surrender Abandoning their village they settle on a different continent where they establish the town of Defiance hidden from their enemies But when Liberty s meager supplies prove insufficient to feed and house the one thousand people who arrived under the Union s banner violent factions arise and compete to survive undermining collectivist beliefs and military authority To prevent Union expansion and retake Liberty the people of Defiance are willing to wage war But even as the human conflict escalates the challenges of Coyote s alien landscape threaten them all Would make Robert A Heinlein proud Entertainment Weekly Unlike most series books readers will enjoy this one whether they have read the first installment or not Rocky Mountain News
