## Goals Galore:

**Mind Games** Jeff Grout, Sarah Perrin, 2004-10-15 What makes a winner in business or in sport Why do some people consistently break sales targets cross the line first or hammer the ball in the net with pinpoint accuracy Natural talent and disciplined training are vital But with two equally matched professionals something else makes the difference that provides that extra champion factor the mind Mind Games looks into the mental processes of sporting stars identifying the attitudes and approaches that enable them to achieve peak performance every time and applies them specifically to the world of business What are the key mental characteristics that make some people come out on top How do winners channel adrenaline into controlled power while losers choke What do sportsmen and women mean when they talk about the inner game being in the zone or being in the now What is it that coaches do to realise the potential they see What are the lessons that business winners need to learn from sports superstars Mind Games has the full involvement of over 30 sporting household names including Sven Goran Eriksson Matthew Pinsent Clive Woodward Nick Faldo Jonny Wilkinson The authors draw on extensive first hand experiences of acknowledged sporting champions across a range of sports identifying personal techniques proven to have worked under the pressure of top level competition They also draw on the expertise of professional coaches and psychologists who have worked with sportsmen and women

**The Caddie Was a Reindeer** Steve Rushin, 2007-12-01 A joy ride through the wild world of sports from the best sportswriter in the country St Paul Pioneer Press Steve Rushin a four time finalist for the National Magazine Award has been hailed as one of the best sportswriters in America In The Caddie Was a Reindeer he circumnavigates the globe in pursuit of extreme recreation In the Arctic Circle he meets ice golfers In Minnesota he watches the National Amputee Golf Tournament where one participant tells him I literally have one foot in the grave Along the way Rushin meets fellow travelers like Joe Cahn a professional tailgater who confesses aboard the RV in which he lives It's wonderful to see America from your bathroom And even Rushin has logged fewer miles in pursuit of extreme recreation than Rich Rodriguez a marathon roller coaster rider who makes endless loops for entire summers on coasters around the world The Caddie Was a Reindeer is a ride to everywhere to south London where Rushin downs pints with the King of Darts to the Champs Elyses where the author indulges in excessive nightclubbing with World Cup soccer stars and to Japan where Rushin eats soba noodles with the world champion of competitive eating Enlightening hilarious and unexpectedly heartwarming this collection is not a body of work it's a body of play
