## **God And Caesar:**

**Rendering unto Caesar** Christopher D Surber,2014-11-25 What does it mean to render to Caesar what is his and render to God what is His How a believer understands this text will to a large degree determine how they will approach matters of nationalism and politics as they follow Jesus Dr Chris Surber Matthew 22 15 22 is a passage usually seen as essentially about paying taxes Author Chris Surber takes us deeper into Jesus meaning as he includes the historical context and the crowd to whom Jesus was speaking

**Render to Caesar** Christopher Bryan,2005-08-25 At the end of the 20th century postcolonialism described the effort to understand the experience of those who had lived under colonial rule This kind of thinking has inevitably brought about a reexamination of the rise of Christianity which took place under Roman colonial rule How did Rome look from the viewpoint of an ordinary Galilean in the first century of the Christian era What should this mean for our own understanding of and relationship to Jesus of Nazareth In the past Jesus was often depoliticized treated as a religious teacher imparting timeless truths for all people Now however many scholars see Jesus as a political leader whose goal was independence from Roman rule so that the people could renew their traditional way of life under the rule of God In *Render to Caesar* Christopher Bryan reexamines the attitude of the early Church toward imperial Rome Choosing a middle road he asserts that Jesus and the early Christians did indeed have a critique of the Roman superpower a critique that was broadly in line with the entire biblical and prophetic tradition One cannot worship the biblical God the God of Israel he argues and not be concerned about justice in the here and now On the other hand the biblical tradition does not challenge human power structures by attempting to dismantle them or replace them with other power structures Instead Jesus message consistently confronts such structures with the truth about their origin and purpose Their origin is that God permits them Their purpose is to promote God s peace and justice Power is understood as a gift from God a gift that it is to be used to serve God s will and a gift that can be taken away by God when misused *Render to Caesar* transforms our understanding of early Christians and their relationship to Rome and demonstrates how Jesus teaching continues to challenge those who live under structures of government quite different from those that would have been envisaged by the authors of the New Testament

**God and Caesar** John Eidsmoe,1997-12-05 Jesus said Render therefore to Caesar the things that are Caesar s and to God the things that are God s thereby approving at least for this age the idea of human government The hard part is deciding what actually belongs to Caesar and what should be reserved exclusively for God How Christians are to understand and apply Jesus words has been a point of controversy since the days of the apostles Many difficult issues that continue to trouble Christians are dealt with in this book Is there a biblical pattern for human government What should we as Christians expect from government Should Christians participate in government What does the Bible have to say about issues related to government such as wealth and poverty left and right crime and punishment the family education censorship and pornography civil disobedience liberation theology military service Do some systems of government follow biblical teaching

more closely than others What about American democracy how does it measure up Would a socialist or redistributive economic and governmental system be more biblical John Eidsmoe brings a wealth of biblical insight theological reflection and practical experience to bear on the crucial issue of how biblical Christianity and politics relate Here at last is a book that simply and clearly shows how we really can give both God and Caesar their due **Jesus Is Lord, Caesar Is Not** Scot McKnight, Joseph B. Modica, 2012-11-30 This volume brings together respected biblical scholars to evaluate the turn toward empire criticism in recent New Testament scholarship While praising the movement for its deconstruction of Roman statecraft and ideology the contributors also provide a salient critique of the anti imperialist rhetoric pervading much of the current literature **God and Caesar** Shirley Williams, 2004-06-01 Shirley Williams a practicing Catholic explores the relationship between Christian teaching the Church and public life in the modern world God and Caesar includes discussion of the transformation of pre industrial society by modern progress and the subsequent distancing of human beings from God the current cynicism about politicians and the political process the prevailing crisis in the priesthood the new roles that have opened up for women in the Catholic Church and the effects of globalization in the twenty first century God and Caesar is an immediately relevant work for modern society by one of Britain s most respected figures **God, Caesar, and Idols: The Church and the Struggle for America's Soul** Rick D. Boyer, 2022-02-09 Once one nation under God America today is desperately sick And the Church seems to have no answers How can a nation so churched be so untouched by the Gospel Why has the Glory departed leaving a nation racked by political hatred drug addiction and shattered families God Caesar and Idols asks these questions and calls the Church to seek God s Word for answers Too many Christians no longer make political choices on the basis of eternal truth but instead make them on the basis of purely financial considerations It s time for the Church to break its addiction to humanistic government schooling and instead bring them up in the nurture and admonition of the Lord This book challenges the Church to reject cheap grace and the easy temptation to be tolerant of society s rebellion We must again honor the authority of God s Word and embrace the life altering power available when we reject our cultural idols and proclaim the whole counsel of God without compromise Armed with careful scriptural exegesis and supported by the words of great Christians from church history God Caesar and Idols encourages the American Church to again contend for the faith in today s culture whatever the cost *God and Caesar in America* Gary Hart, 2005 An informed discussion of the relationship of faith and politics by former U S Senator Gary Hart Jesus vs. Caesar Dr. Joerg Rieger, 2018-04-17 When we observe a tension between Jesus and Caesar we acknowledge that a fundamental tension remains at the heart of Christianity When this tension is poorly understood Christians face disastrous consequences The tension is not between religion and atheism or secularism Nor is it between organized religion and personal spirituality The tension is located within the heart of Christianity itself because it is a radical conflict between true and false forms of Christian faith Jesus embodies and exposes this tension in ways that illuminate both how God is with us and what must

change for a world that participates in God's life. This book serves as an indictment of the pieties of empire, whether government, corporate, or any other forms of the faith that dominate and exclude. One form of Christian faith, Jesus, versus another form of Christian faith, Caesar. Whom and what will we trust and serve? What did Jesus disclose to the religious, economic, and political worlds of Israel and Rome? This tension between true and false forms of religion is also deeply rooted in the Jewish traditions. The Hebrew prophets were gravely concerned about established forms of Jewish religion that appear to be respectable but result in oppression. The prophet Isaiah hears the voice of God pronouncing judgment: "You serve your own interest on your fast day and oppress all your workers." (Isaiah 58:3) True religion loosens the bonds of injustice (Isaiah 58:6) while self-serving religion is false religion. This tension between true religion and false religion is a critical opportunity for those who would follow Jesus instead of Caesar.

**God and Caesar (Classic Reprint)** Joseph Husslein, 2017-11-22

Excerpt from *God and Caesar*: For the citizen who else would behold in his temporal rulers or magistrates merely men equal to himself by nature and perhaps even in various ways unworthy or censurable will now by the light of Faith perceive in them the image and authority of Christ as God and Man. So therefore the Church fully recognizes the Divine origin of the secular power in temporal and political matters but she must equally insist on the full recognition of her divinely given rights within her own independent sphere. **God and Caesar at the Rio Grande** Hilary Cunningham, 1995

The author offers a fascinating account of the history and growth of the Sanctuary Movement as she demonstrates how religion shapes and is shaped by political culture. Focusing on the Sanctuary located in Tucson, Arizona, she explores the movement primarily through the experiences of everyday participants conveyed through interviews with Sanctuary workers, as well as reproductions of documents from her stays in Arizona, Mexico, and Guatemala.

[Early Christianity in Rome](#) Jens Schröter, Konrad Schwarz, 2025-11-03

The volume explores the beginnings of Christianity in Rome, the political and religious center of the Roman Empire. Early Christian writings such as Paul's letters to the Romans, the Acts of the Apostles, First Clement, and the Shepherd of Hermas demonstrate that Rome became an important place for early Christians by the end of the first century, beginning of the second century. In this period, one can also detect an early separation of Jewish and Christian

communities in Rome In the second century several prominent philosophical teachers came to Rome and taught the Christian message from their respective viewpoints To these belong Marcion Valentinus Justin Martyr and Tatian The diverse interpretations of the Christian message resulted in the formation of different communities e g the Marcionites the Valentinians and the main church to which apparently Justin belonged The book also examines the archaeological remains of the early Christians Although the evidence is sparse some things can be said about the burial places of Peter and Paul and about the so called house churches of early Christians Taken together the articles in this volume will advance the discussion about Christianity in Rome in the first three centuries

No man can serve two masters the Lord tells us yet both Christ and Caesar demand our allegiance The prince of this world and the political institutions he supports and controls entice us to rely on the arm of flesh as a means of solving our problems But God seems to want something different to us and His commandments carry political implications that we ignore at our own spiritual peril Christians seem to find themselves torn between Christ and His counterfeit looking for ways to compromise and satisfy both Many pledge allegiance to their country and support laws and elected officials that restrict the agency of others justifying their behavior based on incorrect interpretations of scripture they claim requires a submission to and compliance with Caesar s many edicts
