

The background of the image is a large, detailed view of the Earth from space. The planet is shown in a slightly tilted position, with the top half appearing in shades of blue and white, representing the Northern Hemisphere. The bottom half is dominated by a vibrant orange and red glow, representing the Southern Hemisphere. A thick, horizontal orange band cuts across the center of the Earth, serving as a background for the main title. The text 'GLOBAL WARMING' is written in large, bold, white, sans-serif capital letters across this band. The overall composition is centered and visually striking due to the color contrast between the blue/white and orange/red halves of the planet.
