## **Global Restructuring The Australian Experience:**

Global Restructuring Robert Harold Fagan, Michael John Webber, 1994 During the early 1990s a quiet controversy began in Australia about the nature of the ongoing global economic restructuring process how it was initiated and how it will affect the continent's economy and society Global Restructuring The Australian Experience offers a succinct authoritative introduction to the various issues involved in this complex and important topic one that has rekindled the debate about the future role of transnational corporations foreign investment the competitiveness of Australian production on world markets and government's role in regulating global change and its impact on local economies Bringing a geographical perspective to the debate the authors of Global Restructuring define specific links between the processes of global change and transformations within Australia They discuss the uneven impacts of change on major Australian economic and social sectors and present insightful case studies of the food processing iron and steel production motor vehicle manufacturing and banking industries Provocative and fascinating Global Restructuring adds an important voice to this emerging topic and will be welcomed by students and researchers in social and economic geography environmental studies agricultural economics and political economy

**Australia in the Global Economy** Barrie Dyster, David Meredith, 2012-09-13 Explores the evolution of Australia's position in the global economy from the start of the twentieth century through to today

**An Unruly World?** Andrew Herod, Geroid O Tuathail, Susan M. Roberts, 2002-09-11 An Unruly World explores the diverse conundrums thrown up by seemingly unruly globalization Examining how fast transnational capitalism is re making the rules of the game in a wide variety of different places domains and sectors the authors focus on a wide range of issues from analysis of soft capitalism and the post Cold War organizational drives of international trade unions to the clamour of states to reinvent welfare policy and the efforts of citizen groups to challenge trade and financial regimes An Unruly World argues that we are not living in a world bereft of rules and rulers the rules governing the global economy today are more strictly enforced by international organizations and rhetoric than ever before

**Land of Discontent** Bill Pritchard, Phil McManus, 2000 This text examines the recent changes to the economic social and cultural landscapes of regional and rural Australia Issues it considers include the delivery of government services the closure of bank branches in rural areas and the restructuring of rural industries

**Placing Critical Geography** Lawrence D. Berg, Ulrich Best, Mary Gilmartin, Henrik Gutzon Larsen, 2021-11-29 This book explores the multiple histories of critical geography as it developed in 14 different locations around the globe whilst bringing together a range of approaches in critical geography It is the first attempt to provide a comprehensive account of a wide variety of historical geographies of critical geography from around the world Accordingly the chapters provide accounts of the development of critical approaches in geography from beyond the hegemonic Anglo American metropolises Bringing together geographers from a wide range of regional and intellectual milieus this volume provides a critical overview that is international and illustrates the interactions or lack thereof between different critical geographers working across a range of

spaces The chapters provide a more nuanced history of critical geography suggesting that while there were sometimes strong connections with Anglo American critical geography there were also deeply independent developments that were part of the construction of very different kinds of critical geography in different parts of the world *Placing Critical Geographies* provides an excellent companion to existing histories of critical geography and will be important reading for researchers as well as undergraduate and graduate students of the history and philosophy of geography

*Australia in the Global Economy* David Meredith, Barrie Dyster, 2000-01-17 This up to date volume considers Australian economic development in light of worldwide political and social developments arguing that the Australian economy is an integral part of the world economy and subject to the same trends across the globe The book also focuses on domestic factors that have shaped the growth of the Australian economy such as the growth of exports the role of foreign capital and the positive contribution of migrants The authors also consider the Gulf Wars the East Asian financial crisis and globalization

*The Lowest Rung* Mark Peel, 2003-07-24 This 2003 book examines the impact of economic rationalism on members of the poorest parts of Australian society
