moral integrity in the face of an empire not by conquering or overpowering the empire but by simply living an ordinary life extraordinarily well This same monastic mindset can help us grow in wisdom equanimity and strength of soul as we seek restoration and renewal both at home and in the world At a time when people around the world are bearing witness to human frailty and simultaneously the endurance of the human spirit The Monastic Heart invites readers of all walks to welcome this end of certainty and embrace a new beginning of our faith Without stepping foot in a monastery we can become like those before us a deeper freer self a richer soul and as a result a true monastic so that in all things God may be glorified
