

The Ingenious YANKEES

The men, ideas, and machines that
transformed a nation, 1776-1876

Joseph & Frances Gies

Geo. H. Corliss

Providence, R.I.

Ingenious Yankees

Jerome Huyler

Ingenious Yankees:

The Ingenious Yankees Joseph Gies, Frances Gies, 1976 *The Ingenious Yankees* Joseph Gies, 1979 **Ingenious Yankees** Donald Hoke, 1986 *A New Nation of Goods* David Jaffee, 2010 *A New Nation of Goods* highlights the significant role of provincial artisans in four crafts in the northeastern United States: chairmaking, clockmaking, portrait painting, and book publishing to explain the shift from preindustrial society to an entirely new configuration of work, commodities, and culture.

Florentine Ariosto Jones: A Yankee in Switzerland and the Early Globalization of the American System of Watchmaking Frank Jacob, 2021-09-07 This book recounts the story of Florentine Ariosto Jones who after the Civil War decided to manufacture watches. Combining the cheap labor available at the time in Switzerland with US manufacturing technologies, Jones embarked on his venture to produce affordable watches for the American market. Consequently, he became a pioneer in the business of outsourcing labor for economic purposes through his contracting of labor to Europe. While the company still exists today, very little is known about Jones. The present book will undoubtedly change this by telling the fascinating story of an American adventurer and his pursuit to globalize American watchmaking at the end of the 19th Century.

Ingenious Yankees Donald R. Hoke, 1990-03-02 **Yankee Theatre** Francis Hodge, 1964-01-01 The famous Stage Yankees with their eccentric New England dialect comedy entertained audiences from Boston to New Orleans, from New York to London in the years between 1825 and 1850. They provided the creative energy for the development of an American type character in early plays of native authorship. This book examines the full range of their theatre activity, not only as actors but also as playwrights, and re-evaluates their contribution to the growth of the American stage. Yankee theatre was not an oddity, a passing fad, or an accident of entertainment; it was an honest exploitation of the materials of American life for an audience in search of its own identification. The delineation of the American character, a full-length realistic portrait in the context of stage comedy, was its projected goal, and though not the only method for such delineation, the theatre form was the most popular and extensive way of disseminating the American image. The Yankee actors openly borrowed from what literary sources were available to them, but because of their special position as actors who were required to give flesh and blood imitations of people for the believable acceptance of others, viewing the same people about them, they were forced to draw extensively on their actors' imaginations and to present the American as they saw him. If the image was too often an external one, it still revealed the Yankee as a hardy individual whose independence was a primary assumption, as a bargainer whose techniques were more clever than England's sharpest penny pincher, as a country person more intelligent, sharper, and keener in dealings than the city-bred type, as an American freewheeler who always landed on top, not out of naive honesty but out of a simple perception of other human beings and their gullibility. Much new evidence in this study is based on London productions where the view of English audiences and critics was sharply focused on what Americans thought about themselves and the new culture of democracy emerging around them. The shift from America the borrower to America the

original doer can be clearly seen in this stager activity Yankee theatre then is an epitome of the emerging American after the Second War for Independence Emerging nationalism meant emerging national definition Yankee theatre thus led to the first cohesive body of American plays the first American actors seen in London and to a new realistic interpretation of the American in the character plays of the 1870s and 1880s **Hampton's Magazine** ,1910 The Rise and Decline of England's Watchmaking Industry, 1550-1930 Alun C. Davies,2022-04-11 This survey of the rise and decline of English watchmaking fills a gap in the historiography of British industry Clerkenwell in London was supplied with rough movements from Prescot 200 miles away in Lancashire Smaller watchmaking hubs later emerged in Coventry Liverpool and Birmingham The English industry led European watchmaking in the late eighteenth century in output and its lucrative export markets extended to the Ottoman Empire and China It also made marine chronometers the most complex of hand crafted pre industrial mechanisms crucially important to the later hegemony of Britain s navy and merchant marine Although Britain was the workshop of the world its watchmaking industry declined Why First because cheap Swiss watches were smuggled into British markets Later in the era of Free Trade they were joined by machine made watches from factories in America enabled by the successful application to watch production of the American system in Waltham Massachusetts after 1858 The Swiss watch industry adapted itself appropriately expanded and reasserted its lead in the world s markets English watchmaking did not its trajectory foreshadowed and was later followed by other once prominent British industries Clerkenwell retained its pre industrial production methods Other modernization attempts in Britain had limited success or failed Locke in America Jerome Huyler,1995 An account of the link between Locke s thought and the American Founding The author argues that previous writers have misread Locke s influence on the Founders he portrays the philosopher as a moderate 17th century moralist advocating an individualism that fits well with classic republicanism **The Philistine** ,1912 The American Experiment James MacGregor Burns,2013-05-21 The Pulitzer Prize winning author s stunning trilogy of American history spanning the birth of the Constitution to the final days of the Cold War In these three volumes Pulitzer Prize and National Book Award winner James MacGregor Burns chronicles with depth and narrative panache the most significant cultural economic and political events of American history In The Vineyard of Liberty he combines the color and texture of early American life with meticulous scholarship Focusing on the tensions leading up to the Civil War Burns brilliantly shows how Americans became divided over the meaning of Liberty In The Workshop of Democracy Burns explores more than a half century of dramatic growth and transformation of the American landscape through the addition of dozens of new states the shattering tragedy of the First World War the explosion of industry and in the end the emergence of the United States as a new global power And in The Crosswinds of Freedom Burns offers an articulate and incisive examination of the US during its rise to become the world s sole superpower through the Great Depression the Second World War the Cold War and the rapid pace of technological change that gave rise to the American Century The American Botanist ,1914 A monthly journal for

the plant lover **The Roots of American Industrialization** David R. Meyer,2003-05-21 Farms that were on poor soil and distant from markets declined whereas other farms successfully adjusted production as rural and urban markets expanded and as Midwestern agricultural products flowed eastward after 1840 Rural and urban demand for manufactures in the East supported diverse industrial development and prosperous rural areas and burgeoning cities supplied increasing amounts of capital for investment The Beekeeper ,1925 **Judy, Or the London Serio-comic Journal** ,1872 **The Hampton Magazine** ,1910 *American Manual of Phonography* Elias Longley,1894 The United Service ,1890 *Eclectic Manual of Phonography* Elias Longley,1889
