## **Hanging In There With Christ:**

**Paul's Spirituality in Galatians** P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today's culture. Spirituality is essentially how one's beliefs and experiences influence the way one lives their life. Such influences for living are of critical importance to one's faith within the Christian community. What role does the Bible play in developing an expressed spirituality among the Christian community? How do one's religious traditions, cultural influences, and personal preferences influence the way Christian spirituality is perceived and expressed? All too often, and at times unintentionally, the foundational truths of the Bible are subordinated to tradition, culture, and personal preference. This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians, while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today. **Our Banquet** H. This edition includes both word-for-word translations of the scripture as well as thought-for-thought translations. Readers can compare verses at a glance with facing page translations: four translations per page in a clear, easy-to-read typeface. The CCNT features four word-for-word translations: Douay Rheims Revised Standard Version Catholic Bible, New Revised Standard Version Catholic Bible, and the New American Bible. These translations follow as closely as possible the New Testament's original wording, making them perfect for close readings of the text. The Jerusalem Bible, the Good News Bible, the New Jerusalem Bible, and the Christian Community Bible represent the thought-for-thought school of Bible translation. These translations emphasize the intended meaning of the original vocabulary, adapting it to English syntax and grammar, making it easier to understand for the lay reader. The Catholic Comparative New Testament offers the most unique and informed way of reading scripture with its eight different translations. Beautifully printed on the highest quality material, the CCNT is an excellent study guide for the value
