## **False Religions:**

**Major Cults and False World Religions** Steve Urick, 2011-03-03 Cults and false religions are dangerous They preach a false gospel and lead people into a false spirituality Their victims are kept blinded from the true gospel of Christ while they are held in bondage to whatever false belief system and legalistic practices they must maintain Major Cults and False World Religions reveals several key characteristics that makes them unbiblical It exposes several major cults and false religions that have the majority of the world s population deceived and headed for Hell This book is the result of thirty four years of evangelism work studying comparative religions and apologetic research and debate It will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks

**True Christianity & False Religions** Lloyd A. Davidson, 2004 Do you really believe in the only true and living God Are you tired of false religion and now hunger and thirst after righteousness Are you deceived and not sure if you are a true Christian Are you 100% sure that Jesus Christ is indeed alive You may attend church or religious services but have you ever truly worshipped God Do you know God for yourself Did you know that you can be 100% sure you will spend eternity in Heaven the moment Christ enters your body Is your fianc or spouse a recipient of the Spirit of Truth in the Lord so as to prevent you from ever being divorced biblically Do you really know the truth and the whole truth about Homosexuality Do you have divine permission to worship God Did you know that even if you are confirmed or water baptized you cannot worship God in a church in a cathedral in a synagogue in a mosque in a temple or as you wish He can only be worshipped in spirit and in truth with the Spirit of Truth after being born of his Spirit through the atoning blood of Christ his Son This powerfully inspiring book answers all those crucial questions according to Christ that any sensible person should know before attempting to worship the one and only true God It also addresses many controversial issues that confront the cutting edge of Christian living in this evolving secular world including solutions to spousal abuse Before Christ revealed Himself to me I did not know if Heaven was real and I thought hell was just an illusion However after Christ revealed Himself to me I discovered Heaven is real and hell is no joke This book expounds to the core pure religion salvation and the imperativeness of a totally surrendered heart in seeking God It offers to every person without Christ an opportunity to know God supernaturally and diligently exploit his power and love Believing in God or Christ is not enough you must also know them both supernaturally to make it into the kingdom of Heaven These pages are filled with anointed intricate prolific corrective expository edifying revelations spiritual insights and teachings that many Christian ministers have not had the courage tenacity or conviction to address and discuss with clarity and implicit intrusiveness Virtually combined with a passionate desire to speak the truth always it is the equivalent of the best simplified Bible translation for the purpose of personal Bible study soul winning and revival you have ever laid your hands on Read and adhered to for such a time as this it will set your mind body soul and spirit on divine fire The teachings and insights will also profoundly permeate your conscience heart mind

and soul as you ingest every word Cutting like a two edged sword it compels a person to experience the divine presence of the true and living God This book is definitely the ultimate key to true worship and an urgent wake up call to all of humanity Every person that believes in God ought to secure a copy of this book or present it as a gift to a non Christian *Beware of False Religions & Pagan Traditions Part 3* Helene Fulton,2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God s truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into there every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces *Beware of False Religions & Pagan Traditions Part 2* Helene Fulton,2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God s truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into there every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces
