The Father's Heart Mick Murray,2020-01-26 Knowing the Father's heart empowers the follower of Jesus to love and worship God with their whole being Too many Christians allow negative experiences within their own families pop culture and the media to shape their understanding of God as Father God is seen as distant disapproving or exacting We need a deeply biblical understanding of God as revealed most prominently in the life of Jesus to adjust the misconceptions many of us have regarding the character of the Father in order to accelerate spiritual growth In *The Father's Heart* Mick R Murray combines biblical truth with insightful anecdotes to powerfully convey a list of ten distinct attributes of the Father heart of God This book is an invitation to discover again or for the first time how a right understanding of the Father's heart sets us free to risk to love and to really live

From a Father's Heart to His Children Mark K. Mullaney,2014-12-01 We live in a society where fathers are clearly absent in the lives of their children Mothers have to raise children without the direct influence of a father Children may never understand the true value of a father and many adults may have grown up never knowing a father I offer my personal experiences challenges and love to those raising children to those who never had a father to those who have no known father and those who would like to know a father I offer my own experiences in an effort to heal and mend hearts all over the world A father offers so much to his children He brings identity strength and protection to every child A true father desires that his children go further than he ever could I put this into every word A child is a gift A mother is affectionate and affirming A father provides foundation and direction Children need to know that they are loved
