**From Babylon to Bethlehem** Stephen Davey,2013-12-01      [From Babylon to Bethlehem](#) Laurence Edward Browne,1926      [From Babylon to Bethlehem and Back Again](#) A C Katz,2024-11-13 The Magi saw the Star of Bethlehem they knew what it meant how did they know Who were the Magi They saw his star what was his star How did it appear the first time and then again months later over Bethlehem Was the Bethlehem Star a cosmic view of an actual festival of lights an ancient GPS in the sky In the book *From Babylon to Bethlehem* you will be surprised to learn what his star actually was His star was the first and His star was the last as it settled over Bethlehem It was the same star from beginning to end it did not change Come along and travel back in time and view the heavenly sights of long ago as we join the Magi on their journey *From Babylon to Bethlehem Was the Bethlehem Star Supernatural or Natural* Some bible teachers believe that the Bethlehem Star was a supernatural event something that cannot be explained within the natural celestial mechanics created at the same time as the Sun the Moon and planets called wandering stars in the beginning in Genesis 1 14 It is possible the Bethlehem Star was a predictable event and when God uses His creation it isn't always an unexplainable supernatural event In this book you will find a compilation of information to confirm a timeline using scripture as the base including archaeology and historical writings to be tested against astronomical evidence There are videos and theories about the Star of Bethlehem however some are historically astronomically and even scripturally inaccurate it's understandable since people were unaware of many of the archaeological findings which are becoming more available to us today Over the years because of the unavailability of evidence some have concluded well we just can't know As time goes on we will be able to find out more as archaeology is revealed and continues to confirm the accuracy of scripture just one of the many reasons we need to keep watching Many of you might be familiar with AC Katz's previous book *The Great American Writing on the Wall Total Solar Eclipse of 2017 and 2024* In that book she showed herself to be a meticulous researcher and seeker of truth She continues this methodology in her new book *From Babylon to Bethlehem* As an amateur astronomer and astrophotographer as well as Bible teacher I have been enthusiastically contemplating for many years the background behind the enigmatic star of Bethlehem which led the magi to Jesus In this new book AC Katz will take you on an amazing historical theological archaeological and astronomical journey exploring the possibilities of the Bethlehem star Was the Bethlehem star a conjunction of planets Conjunction of stars A comet Was it a supernatural event You will certainly find all of her research fascinating and worth the read Her attention to detail and conversational writing is enjoyable and highly recommended Mondo Gonzales co host at *Prophecy Watchers* and director of the *Psalm 19 Project*      **From Babylon to Bethlehem** Henry Leopold Ellison,1984      **From Babylon to Bethlehem** Henry Leopold Ellison,1979      *From Babylon to Bethlehem ...
