From Depression to Deliverance Carole Adkins,2003-11-13 Depression The chemical imbalance in the brain that attacks the very soul Yet as late as 1974 the American Psychiatric Association listed in their diagnostic manual strong religious belief as a disorder Is depression exclusively a chemical imbalance And as recently as today many pastors in the religious community discourage their parishioners from seeking medical help Is depression exclusively a spiritual attack From Depression to Deliverance is a spiritual companion to your doctor s advice demonstrating that depression is an attack on the mind body and spirit Thus in order to win this battle we have to attack it on all three fronts embracing both the scientific and spiritual communities You are not alone in this battle So join us on this pilgrimage from a psychiatrist s office to the great outdoors with a few church sermons on the way from mourning to joy from torment to peace from darkness into God s wonderful light

This page-turner grips your innermost being and takes you into the most unimaginable places to introduce something profoundly worthy. Embrace the experience as you see first-hand what was revealed and what true freedom entails. *Deliverance From the Power of Depression: (My Personal Journey)*

Willie T. Lawson, 2020-09-11 This book is the story of a warrior who fought a battle that was months long. The battle that tested him and his faith at every step and a battle that only a few can conquer. It was a battle with depression. Depression has the power to steal colors from anyone's life and make it black and white. When Willie encountered this beast, he was not in his best form. For him, it was as if he was thrown in a dark well with a dead end. It seemed impossible for him to escape it at that time. He became weak at first, but then he saw the light in that blinding darkness. It was the light of God. He kept following that little light, and soon it became a path for him to escape that dark well. This is the reason why he decided to write this book to help those suffering from depression, for he now knows better how depression can take the life out of a person and only leave a breathing body behind. *From Depression to Deliverance*

Taquila Coleman, 2017-05-08 Taquila Coleman lived a seemingly normal life. She had hopes, dreams, and aspirations just like everyone else until the boyfriend she thought she'd spend the rest of her life with abandoned her when she needed him the most. Pregnant alone and with more problems than her heart and mind could handle, Taquila's life came to an impasse. She could either allow depression and self-pity to sink her into the abyss, or she could find a way to pull herself out of it and do something to make life better for herself and her unborn child. That journey out of her desperate state took her back to the one place she always felt at home with God. His powerful words and teachings helped her recover from the depths of depression and helped her find her way to a better, more spiritual life. *From Depression to Deliverance* is Taquila's poignant memoir about a time in her life when she thought she'd lost herself. It is the author's hope that her personal story will shed light on a struggle many endure and will show anyone who is feeling overwhelmed and alone that there is a way back from depression and heartache. If you are feeling alone in your fight, scroll up to buy this book and let Taquila help you to restore your soul, heal your heart, and turn your heartache into joy. *Depression: The Deliverance Manual*, **Deliverance from Depression**
