Wynalda,2010-05-18 In a startlingly innovative format journalist Stephen A Wynalda has constructed a painstakingly detailed day by day breakdown of president Abraham Lincoln s decisions in office including his signing of the Homestead Act on May 20 1862 his signing of the legislation enacting the first federal income tax on August 5 1861 and more personal incidents like the day his eleven year old son Willie died Revealed are Lincoln s private frustrations on September 28 1862 as he wrote to vice president Hannibal Hamlin The North responds to the Emancipation proclamation sufficiently with breath but breath alone kills no rebels 366 Days in Abraham Lincoln s Presidency includes fascinating facts like how Lincoln hated to hunt but loved to fire guns near the unfinished Washington monument how he was the only president to own a patent and how he recited Scottish poetry to relieve stress As Scottish historian Hugh Blair said It is from private life from familiar domestic and seemingly trivial occurrences that we most often receive light into the real character Covering 366 nonconsecutive days including a leap day of Lincoln s presidency this is a rich exciting new perspective of our most famous president This is a must have edition for any historian military history or civil war buff or reader of biographies **The Lost Soul of the American Presidency** Stephen F. Knott,2020-07-14 The American presidency is not what it once was Nor Stephen F Knott contends what it was meant to be Taking on an issue as timely as Donald Trump s latest tweet and old as the American republic the distinguished presidential scholar documents the devolution of the American presidency from the neutral unifying office envisioned by the framers of the Constitution into the demagogic partisan entity of our day The presidency of popular consent or the majoritarian presidency that we have today far predates its current incarnation The executive office as James Madison

George Washington and Alexander Hamilton conceived it would be a source of national pride and unity a check on the tyranny of the majority and a neutral guarantor of the nation s laws The Lost Soul of the American Presidency shows how Thomas Jefferson s Revolution of 1800 remade the presidency paving the way for Andrew Jackson to elevate majority rule into an unofficial constitutional principle and contributing to the disenfranchisement and worse of African Americans and Native Americans In Woodrow Wilson Knott finds a worthy successor to Jefferson and Jackson More than any of his predecessors Wilson altered the nation s expectations of what a president could be expected to achieve putting in place the political machinery to support a presidential government As difficult as it might be to recover the lost soul of the American presidency Knott reminds us of presidents who resisted pandering to public opinion and appealed to our better angels George Washington John Quincy Adams Abraham Lincoln and William Howard Taft among others whose presidencies suggest an alternative and offer hope for the future of the nation s highest office American Rambouillet Record and History of Rambouillet Sheep American rambouillet Sheep Breeders' Association,1912 *The Impossible Presidency* Jeremi Suri,2017-09-12 A bold new history of the American presidency arguing that the successful presidents of the past created unrealistic expectations for every president since JFK with enormously problematic implications for American politics In *The Impossible Presidency* celebrated historian Jeremi Suri charts the rise and fall of the American presidency from the limited role envisaged by the Founding Fathers to its current status as the most powerful job in the world He argues that the presidency is a victim of its own success the vastness of the job makes it almost impossible to fulfill the expectations placed upon it As managers of the world s largest economy and military contemporary presidents must react to a truly globalized world in a twenty four hour news cycle There is little room left for bold vision Suri traces America s disenchantment with our recent presidents to the inevitable mismatch between presidential promises and the structural limitations of the office A masterful reassessment of presidential history this book is essential reading for anyone trying to understand America s fraught political climate *The Fiscal Year 2015 Budget for Veterans' Programs* United States. Congress. Senate. Committee on Veterans' Affairs,2015 *Bullinger's Postal and Shippers Guide for the United States and Canada* ,1922 **American Farmer Magazine** ,1897 *Mitchell's New General Atlas* Samuel Augustus Mitchell,1888 *Young & Co.'s Business and Professional Directory of Central Michigan* ,1902 The Law Times ,1880 *The Christian Advocate* ,1911 The World Almanac and Book of Facts ,1914 Lists news events population figures and miscellaneous data of an historic economic scientific and social nature **1896-1909** James Ford Rhodes,1922 Cases Determined in the St. Louis and the Kansas City Courts of Appeals of the State of Missouri Missouri.
