Fall Of The Kings:

The Fall of The Kings Ellen Kushner, Delia Sherman, 2003-09-30 This stunning follow up to Ellen Kushner's cult classic novel *Swordpoint* is set in the same world of labyrinthine intrigue where sharp swords and even sharper wits rule. Against a rich tapestry of artists and aristocrats, students, strumpets, and spies, a gentleman and a scholar will find themselves playing out an ancient drama destined to explode their society's smug view of itself and reveal that sometimes the best price of uncovering history is being forced to repeat it. The Fall of the Kings: Generations ago the last king fell, taking with him the final truths about a race of wizards who ruled at his side. But the blood of the kings runs deep in the land, and its people waiting for the coming together of two unusual men. Theron Champion, a young nobleman of royal lineage, is heir to an ancient house and a modern scandal. Tormented by his twin duties to his family and his own bright spirit, he seeks solace in the University. There he meets Basil St. Cloud, a brilliant and charismatic teacher ruled by a passion for knowledge and a passion for the ancient kings. Of course everyone now knows that the wizards were charlatans and the kings their dupes and puppets. Only Basil isn't convinced, nor is he convinced that the city has seen its last king. **Rise of the Lost** Riely

O'Sullivan, 2021-10-27 For hundreds of years humankind has resided in the land of Ederia, where political tensions and hostility are on the rise. As Cassius Helladawn, the future king, wastes his days away by drinking and ignoring his royal expectancies, his brother Vidicus is far more capable of being king and secretly loathes Cassius. Far away to the east lies Medearia, an ancient and forgotten land filled with eerie races, powerful kingdoms, and a growing threat. When the signs of Medearia's existence are read, Cassius embarks on a dangerous journey to not only find the forgotten land but to discover what type of king he is capable of becoming and what type of man he wishes to be. Cassius's destiny shall be unveiled to him, brotherhoods will be forged, and most certainly blood will be shed. *Rise of the Lost* is a grim adult fantasy novel that is sure to enlighten its readers to the definitions of horror and suspense. It asks its readers to take a deeper look at themselves to realize their potential and to wonder how they can become more than what they already are.
