Fritz Winter Fritz Winter, Denys Sutton, Lefevre Gallery, 1953 **Practices of Comparing** Angelika Epple, Walter Erhart, Johannes Grave, 2020-06-22 Practices of comparing shape how we perceive organize and change the world Supposedly innocent practices of comparing play a decisive role in forming categories boundaries and hierarchies but they can also give an impetus to question and change such structures Like almost no other human practice comparing pervades all social political economic and cultural spheres This volume outlines the program of a new research agenda that places comparative practices at the center of an interdisciplinary exploration Its contributions combine case studies with overarching systematic considerations They show what insights can be gained and which further questions arise when one makes a seemingly trivial practice comparing the subject of in depth research **Catalog of the Library of the Museum of Modern Art: Vam**

Museum of Modern Art (New York, N.Y.). Library, 1976 *Art Books* Wolfgang M. Freitag, 2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition
