From Addict To Disciple:

From Addict to Disciple David Hain, 2005-09 David L Hain provides a solid roadmap for individuals addicted to substance abuse and those who desire to help them using Biblical application and his own ministry experience among the addicts and homeless of North Philadelphia and Kensington PA Through fascinating stories and insightful questions this book gives the parent partner minister and counselor a direction for developing discussions and prayer *From Addict to Disciple* Isaiah Thomas Matthews, 2021-08-31 As a recovering addict I have discovered that I must rely on God's grace to get me down the road to recovery a daily moment by moment walk with Jesus Christ His grace is undeserved favor and cannot be earned God's grace is a free gift to each of His children It's my choice whether or not I receive His gifts of grace which include salvation eternal life deliverance from addictions and the gift of the Holy Spirit Also I have discovered that an attitude of gratitude is necessary for my recovery With the help of the Holy Spirit I am thankful in every circumstance because I am saved from the pits of hell due to my faith in Jesus Christ Jesus did not have to do what He did He died a horrible death on a cross as the final payment of my sins Jesus paid the debt that I never could which leaves me in awe and with a grateful heart for the wonderful things He did for me Jesus deserves to be praised often each day I am sure to thank Him for all that He provides such as food shelter the ability to write and earn a living the people in my life trials sickness addictions and salvation The good and the bad combined help lead me to Jesus saving grace *From Addict to Disciple* Isaiah Thomas Matthews, 2016-07-29 The author was born on May 19 1964 in Dixon IL The author graduated high school in Polo IL in 1982 and is a graduate of Sauk Valley College with an A A S degree in 1990 He currently is a Bible student at Global University with the intent of becoming licensed and or ordained The author has been married since June 1 1991 has one daughter who was born on April 3 2001 and has been a recovering addict since 2006 He has been a born again child of God since 2004 The author has suffered through two car accidents The second one left him with a permanent disability Instead of being angry and bitter he decided to seek the Lord in the midst of his pain and suffering The author has suffered with an addiction to pornography since age 11 He battles addictions to food sports sugar and work Needless to say he found Jesus Christ and discovered that he is a writer for the Kingdom of God which were not his plans for his life The author initially sought to be a weatherman then a professional bowler and then a high school math teacher all of which were not God's plan for his life God's plan for the author includes sharing with others what Jesus Christ has done for him and what the Lord wants to do for all of those suffering through addictions Where the Spirit of the Lord is there is freedom It is Isaiah's prayer that each reader discovers the unbelievable peace joy and freedom that is found in our great and awesome Lord Jesus Christ *Addiction and Discipleship* James Reid, 3rd, 2021-12 Resource for those affected by addiction **Breaking the Spirit of Addiction** Sam Jones, 2007-03 Jones provides an in depth look at how Jesus Christ offers complete and permanent deliverance from Satan's traps as opposed to the constant recycling process in which many addicts find themselves just going through the motions of

secular recovery programs Practical Life *Mere Discipleship* Lee C. Camp,2008-08 Lee Camp sets forth his vision of what it means to truly follow Christ This substantially revised and expanded edition updates examples and adds chapter introductions summaries and study questions **Addiction Treatment** Daniel Hood,2017-09-08 Addiction Treatment is an ethnography that compares two types of residential drug free treatment programs religious faith based programs and science based secular programs Although these programs have originated from significantly different ideological bases in examining the day to day operations of each Daniel E Hood concludes that they are far more alike than they are different Drug free treatment today whether in secular or religious form is little more than a remnant of the temperance movement It is a warning to stop using drugs At its best treatment provides practical advice and support for complete abstinence At its worst it demeans users for a form of behavior that is not well understood and threatens death if they do not stop Hood argues that there is no universal agreement on what addiction is and that drug abuse is little more than a catch all term of no specific meaning used to condemn behavior that is socially unacceptable Through extensive participatory observations intimate life history interviews and informal conversations with residents and staff Hood shows how both programs use the same basic techniques of ideological persuasion mutual witnessing methods of social control discourse deprivation and the same proposed zero tolerance abstinent lifestyle Christian living vs Right living as they endeavor to transform clients from addicts to citizens or from sinners to disciples **Apostolic Based Bible Studies from L.R.C. (Life Restoration Center)** **Apostolic Church** Dora Crystal Solis,2013-07-29 Dora Crystal Solis is collaborating with her Pastor on getting the message of the Word of God out to the public statewide and hopefully nationwide as well They are not trying to convert anybody but to inform everyone reading the book that there is hope and guidance found in the word of God and it will help them find peace joy and understanding about the Bible itself **The Disciple** ,1980 **Spiritual Transformation** Richard W. Clark,2017-08-15 *Spiritual Transformation* examines the subtle and complex nature of addictions and poly addictions alcohol drugs pornography shopping eating work etc the myths and traps that defeat recovery from them the structure and intent of each of the twelve steps the related roles of psychology therapy medicine the underlying spiritual philosophy of each of those steps what being recovered actually means the over riding importance of the five spiritual principles and much more It is written for anyone in any twelve step program for family and friends of addicts of all stripes for educators for professionals who work with addicts and alcoholics and anyone who wishes to understand the intricate workings of addiction Richard Clark has presented this material in various formats since 1986 to over ninety thousand people [The Opium Problem](#) Charles E. Terry,Mildred Pellens,1928 **Saved from Addiction** Chad T. Young,2016-10-18 This is a true story of a man who struggled for 17 years with alcohol and drug addiction as well as basic life management skills Read how he journeyed from church as a young child to turning to use of alcohol and drugs The addiction progressed and soon came jail overdoses and a lot of emotional pain At his lowest point he started to believe suicide was his only answer out of the prison he had placed

himself into On the night he decided to end it all he began to think about eternity and talk to God Read along as he moves through the path of skepticism and doubt to a life committed to Jesus and trusting the Bible as Gods Word to teach him how to live Today he works with men helping them to overcome addictions and other life controlling issues through a relationship with Jesus Christ If you or someone you know is struggling on this journey then this story can help them understand more about the difficult battles and shows how one person came through it VICTORIOUS The Playground ,1921 **Street Saints** Barbara J. Elliott,2004-09 Based on eight years of hands on experience and more than 300 interviews Street Saints is both a book of motivational stories about unsung heroes and a sociological study of the faith factor documenting faith based programs that are treating social maladies in America This book takes readers on a tour of communities and institutions in America where faith based initiatives are making a difference It offers inspiration role models and guidelines for people who would like to give back to their own communities *Jesus and Addiction* Don Williams,1993 Drawing on his deep and personal knowledge of codependency addiction and recovery the author of Signs Wonders and The Kingdom of God argues convincingly that we must look at dysfunctional behavior within our culture our churches and ourselves By daring to journey through the pain of spiritual emptiness which is the root of addiction we can transform the church from the inside out *Festskrift til Vilhelm Thomsen fra disciple* ,1894 *Recreation* ,1922 Engelsk Lomme-Ordbog til Brug for Disciple og Begyndere i Spraget ,1844 Satsang with Baba: January 3-April 26, 1972 Swami Muktananda,1976 Discourses on Hinduism spiritualism and selfrealization by a Hindu religious leader *The Gospel according to st.
