Authors: Pauline Lewis, Mike O'Neill and Nigel Saunders

A note from the publisher

In order to provide our students with high quality resources for their science and science qualifications, we have brought a team of science teachers working together to develop a revision guide for the specification of the combined science (9–1) qualification which is aimed to help students who are preparing for their GCSE science examinations. The book is written by experienced science teachers and is intended to provide a revision resource for students preparing for their GCSE science examinations.

Our authors have worked closely with Pearson to ensure that the book is written to match the specification and to provide a revision resource for students preparing for their GCSE science examinations. The book is written by experienced science teachers and is intended to provide a revision resource for students preparing for their GCSE science examinations.

We are confident that this book will provide a revision resource for students preparing for their GCSE science examinations.

For the full range of Pearson revision titles across GCSE, AQA, OCR, International GCSE, AS/A Level and IB visit www.pearsonschools.co.uk/revise
