German/English Dictionary of Idioms Hans Schemann,2013-05-13 This unique dictionary covers all the major German idioms and is probably the richest source of contemporary German idioms available with 33 000 headwords Within each entry the user is provided with English equivalents variants contexts and precise guidance on the degree of currency rarity of an idiomatic expression This dictionary is an essential reference for achieving fluency in the language It will be invaluable for all serious learners and users of German Not for sale in Germany Austria and Switzerland **Semantics and Psychology**

of Spirituality Heinz Streib,Ralph W. Hood, Jr.,2015-10-16 This book examines what people mean when they say they are spiritual It looks at the semantics of spirituality the visibility of reasons for spiritual preference in biographies in psychological dispositions in cultural differences between Germany and the US and in gender differences It also examines the kind of biographical consequences that are associated with spirituality The book reports the results of an online questionnaire filled out by 773 respondents in Germany and 1113 in the US personal interviews with a selected group of more than 100 persons and an experiment Based on the data collected it reports results that are relevant for a number of scientific and practical disciplines It makes a contribution to the semantics of everyday religious language and to the cross cultural study of religion and to many related fields as well because spirituality is evaluated in relation to personality mysticism well being religious styles generativity attachment biography and atheism The book draws attention to the new and ever changing ways in which people give names to their ultimate concern and symbolize their experiences of transcendence *Deutsche Stilkunst* Eduard Engel,1922 *Ugandan Children's Literature and Its Implications for Cultural and Global Learning in TEFL* Stephanie Schaidt,2018-01-15 The present study adds to TEFL discourse in several ways First of all it contributes to the widening of the canon as it focuses on Ugandan childrens fiction Secondly the research connects to the few empirical studies that exist in the field It provides further implications for cultural and global learning and literary didactics in TEFL derived from insights into the mental processes of a group of Year 9 students in Germany engaging with Ugandan childrens fiction within the scope of an extensive reading project Psychological Research ,1923
