El Chicle:

BLACK BUBBLEGUM William A. Gonzalez, 2013-08-20 Black Bubble Gum is written primarily for people who live in inner city communities The purpose behind writing a book with this kind of context is simply to inspire people in ghettos across the world and to show that written art can be created out of any life circumstance William A Gonzalez writes pieces like Black Bubble Gum which paints a bloody scene from the view of a piece of bubble gum stuck onto a public sidewalk This book includes authentic poetry biographies that replace generations of generic stanzas with soul driven pieces for people who have lost their lives to public street violence It also includes inspirational poems for youth and unity pieces for future humanity The splattering of ink on this book finishes with a section filled with a variety of quotes Black Bubble Gum penetrates souls with a new flavor of written literature

History of Technology Volume 34
 Ian Inkster, 2019-10-17 Despite having undergone major advances in recent years the history of technology in Latin America is still an understudied topic. This is the first English language volume to bring together a variety of critical perspectives on the history of technology in Latin America from the early 19th century through to the present day. This special issue assembled by guest editor David Pretel brings together a range of experts to explore a plethora of topics in Latin America's technological history. Papers include a study of rural telephony in 20th century Latin America the rise of the Techno class in modern Brazil an analysis of the rise and fall of three Caribbean commodities the history of educational technology in Latin America and science and technology in Cold War Chile. Special Issue Technology in Latin American History Edited by David Pretel. Colegio de México Mexico and Helge Wendt Max Plank Institute for the History of Science Germany.
