American painter most celebrated for his paintings Nighthawks and Gas     Edward Hopper Gerry Souter,2012-01-17 In his  
works Hopper poetically expressed the solitude of man confronted to the American way of life as it developed in the 1920s  
Inspired by the movies and particularly by the various camera angles and attitudes of characters his paintings expose the  
alienation of mass culture Created using cold colours and inhabited by anonymous characters Hopper s paintings also  
symbolically reflect the Great Depression Through a series of different reproductions etchings watercolours and oil on canvas  
paintings as well as thematic and artistic analysis the author sheds new light on the enigmatic and tortured world of this

Art and the Crisis of Marriage Vivien Green Fryd,2003 Between the two world wars middle class America experienced a marriage crisis that filled the pages of the popular press Divorce rates were rising birthrates falling and women were entering the increasingly industrialized and urbanized workforce in larger numbers than ever before while Victorian morals and manners began to break down in the wake of the first sexual revolution Vivien Green Fryd argues that this crisis played a crucial role in the lives and works of two of America s most familiar and beloved artists Georgia O Keeffe 1887 1986 and Edward Hopper 1882 1967 Combining biographical study of their marriages with formal and iconographical analysis of their works Fryd shows how both artists expressed the pleasures and perils of their relationships in their paintings Hopper s many representations of Victorian homes in sunny tranquil landscapes for instance take on new meanings when viewed in the context of the artist s own tumultuous marriage with Jo and the widespread middle class fears that the new urban multidwelling homes would contribute to the breakdown of the family Fryd also persuasively interprets the many paintings of skulls and crosses that O Keeffe produced in New Mexico as embodying themes of death and rebirth in response to her husband Alfred Stieglitz s long term affair with Dorothy Norman Art and the Crisis of Marriage provides both a penetrating reappraisal of the interconnections between Georgia O Keeffe s and Edward Hopper s lives and works as well as a vivid portrait of how new understandings of family gender and sexuality transformed American society between the wars in ways that continue to shape it today *Edward Hopper* Patricia A.
