Eerdmans' Handbook to the History of Christianity Tim Dowley, 1977 *Eerdmans' Handbook to Christianity in America* Mark A. Noll, 1983 Essays that provide a history of the Christian church in the United States with biographical information on church leaders the different organized churches and popular Christian movements *Eerdmans' Handbook to the History of Christianity*, 1977 **Christianity Through the Centuries** Earle Edwin Cairns, 1996 This text was written from a conservative nondenominational perspective A Christian philosophy of history underlies the presentation **Christianity in America** G. Wright Doyle, 2013-07-17 Was America founded as a Christian nation What role has the Christian faith of many of its leaders played in the course of its history How has Christianity affected American culture and society This trenchant critique of the role of Christianity in American history highlights both the ways in which Christians have made many valuable contributions as salt and light and how they have caused a great deal of damage by trying to be savior and lord Believers in Christ have built one of the most Christianized countries in the world with benefits for millions They have also nurtured messianic aspirations that have spawned disasters for themselves and other countries Generous in praise for dedicated believers who have reflected the character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy *What's Going on Among the Lutherans?* Patsy A Leppien, J. Kincaid Smith, 1992-07-01 What do Lutherans believe You might have heard the word Lutheran before and you might know that the Lutheran church in North America is divided into various church bodies Why is that Do they all believe the same thing If not what are the differences that make them unique and why does it matter The book *What's Going on Among the Lutherans* A Comparison of Beliefs answers all your questions and clears up any confusion surrounding the Lutheran faith It shows what distinguishes historic orthodox Lutheranism from liberal Lutheranism and also presents valuable comparisons of the strengths and weaknesses of each American Lutheran church

body If you're looking to know what Lutherans believe this is the book for you *All God's People* David L. Smith, 2004-02-06 *All God's People* A Theology of the Church sets out a corrective understanding of the nature of the church universal with a focus on implications for the church local The book is divided into three basic sections A Historical Theology of the Church surveys the history of theology of the church beginning with the early church the formative years for all Christian theology A Biblical Theology of the Church examines the Old Testament Gospels and apostolic sense of the people of God A Systematic Theology of the Church seeks to both systematize the biblical theology and synthesize it with contemporary thought Finally A Practical Theology of the Church concludes the work relating the book's lessons to the contemporary church climate **A Concise History of Christianity** R. Dean Peterson, 2000 Chronologically organized from the pre-Christian era to the present R. Dean Peterson's *A Concise History of Christianity* acquaints students with the historical development of the Christian Church as well as the people places and ideas that have shaped Christianity With a writing style that is accessible without slighting scholarship the author's prose is understandable to beginning readers Throughout Dr Peterson includes examples and illustrations to give readers a feel for history while timelines and detailed maps place events in chronological and geographical context From publisher's description [Like A Pelting Rain](#) Roland Cap Ehlke, 2018-04-10 When it comes to analyzing today's culture people talk about politics economics and even morals *Like a Pelting Rain* The Making of the Modern Mind goes deeper and looks at the spiritual condition of Western civilization How we arrived at where we are is the long and complex interplay of theology and culture Understanding the trends of the times does not necessitate accepting them God calls upon Christians to contend for the faith The Holy Spirit is still at work and the Gospel remains the power of God for the salvation of all who believe **Christian Herald**, 1981 **The Publishers Weekly**, 1915 **The Global God** Aída Besançon Spencer, William David Spencer, 1998-05 A global Christian manifesto in which contributors examine attributes of God the ones that are most understood in today's culture and the ones that need to be more fully apprehended **The New York Times Book Review**, 1978 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback [A People and a Nation: To 1877](#) Mary Beth Norton, 1930 This spirited narrative challenges students to think about the meaning of American history Thoughtful inclusion of the lives of everyday people cultural diversity work and popular culture preserves the text's basic approach to American history as a story of all the American people The Seventh Edition maintains the emphasis on the unique social history of the United States and engages students through cutting edge research and scholarship New content includes expanded coverage of modern history post 1945 with discussion of foreign relations gender analysis and race and racial relations Chapter based Links to the World connect US history to global events and provide web links for further research while end of chapter Legacies for a People and a Nation focus on meaningful events or movements relevant to present day issues or controversies **Subject Guide to**
