Pastoral Ministry according to Paul James W. Thompson, 2006-02-01 What is the ultimate purpose of pastoral ministry What emphases and priorities should take precedence In the day to day emphasis on various pastoral roles and pragmatic concerns what can sometimes get lost is the theological foundation for understanding pastoral ministry James Thompson is a New Testament scholar with a concern for relating biblical studies to practical ministry Here he does a careful study of several of Paul's epistles in order to see what Paul's vision and purpose were for his own ministry He finds that Paul's aim was an ethical transformation of the communities not just individuals with which he worked so that they would live lives worthy of the gospel until Christ's return Using this as a framework Thompson offers suggestions for practical application to contemporary ministry

Disciple Building: A

Biblical Framework Bob Dukes, 2019-12-03 Disciple Building A Biblical Framework provides a biblical strategy for helping Christians grow to maturity. Maturity is defined as becoming increasingly conformed to the likeness of Jesus Christ. Maturity is a process and it is progressive. As people obey the truths of Scripture they increase their understanding of God and His Kingdom. As this occurs God gradually changes the believers' conduct, belief systems, worldview, and ultimately their character. Maturity also produces an increased capacity for deepening our relationship with God and others with agape, sacrificial love as the ultimate outcome. The process of disciple building, teaching believers to obey all that Christ commanded, is central to His commission to the church and therefore a priority for Christian leaders. Worldwide Discipleship Association (WDA) has been part of a worldwide movement of building disciples for over 40 years. This book will give you an overview of the WDA philosophy of ministry and practical tools to begin to build disciples. This Updated Edition features Guided Discussions for use in training a leadership group. For more information about training leaders with WDA, visit disciplebuilding.org and wdaleadershipinstitute.com.
