Effective Social Action By Community Groups:

Effective Social Action by Community Groups Alvin Zander, 1990 Shows how individual citizens with little vested authority can generate meaningful changes in their communities Provides insight into the kinds of group behavior that are effective

Motives and Goals in Groups , The qualities and effectiveness of working groups are determined by the goals of the group and the motives of its members In Motives and Goals in Groups Alvin Zander studies the effects of group goals and the reasons why particular group goals are chosen He examines the origins of such goals determines their value in terms of the work of the group and analyzes how goals are affected by members aspirations to achieve success Zander assumes the idea that the motives of members are not merely dispositions to obtain personal satisfaction but are also inclinations to achieve group success Earlier studies defined and clarified concepts about group achievement They report on work in the laboratory using high school students as subjects In later investigations these concepts were tested in groups outside the laboratory classrooms executive boards industrial crews and business departments In the new introduction Zander brings his book up to date by analyzing members motives and groups goals from 1971 to the present day He examines how current findings amplify results reported in the original book Among the topics covered are measurability of a group s objective the degree of members confidence in attaining the group s goal the importance of a group s purpose external pressures on a group s aspirations and the reaction of members to their group s performance Motives and Goals in Groups brings together earlier research for the first careful scientific study of goals In groups It is of continuing importance to psychologists educators social workers executives therapists and all others who work either in or with groups

Social Action in Group Work Abe Vinik, Morris Levin, 2012-10-12 One of the most effective ways of dealing with social problems is getting rid of the cause of the problem not just finding a remedy for the result Social Action in Group Work provides a useful overview of the history philosophy theory and practice of social group work and action in the promotion of societal change It shows practitioners how to use their skills effectively to achieve social change This helpful book incorporates ideas developed in social movements identifies their contributions to social group work practice and illustrates effective practice in case experience with specific examples It provides a much needed understanding of the need for and process of social action along with new ideas for theory building teaching and practice in group work Numerous case examples from a variety of different settings become models that will be extremely useful for social work students educators professionals and those who work directly with groups This invigorating book is divided into three sections each with a unique focus and tied together by overlapping concepts theories and models The first section Ideas of Social Action examines the history of social action in group work and proposes an integrated global framework for social work organization education and practice Advocacy and Empowerment the middle section is replete with case examples The third section Principles and Practice explores the application of social group work in a variety of situations including inter ethnic conflict and a group of homeless

men and women Together the sections make a strong stand for a more sensitive empowerment oriented practice and for more advocacy by the worker and group Everyone involved or interested in the process of social change through social action with groups will find Social Action in Group Work a wealth of practical information
