insists that she will manage her own fortune rather than find a husband to do it for her in the sequel *Rose in Bloom* This Library of America edition includes several noteworthy features All three novels are presented with beautifully restored line art from the original editions and are supplemented by seven hard to find stories and public letters two restored to print for the first time in more than a century an authoritative chronology of Alcott's life and notes identifying her allusions quotations and the autobiographical episodes in her fiction *Children's Books in Print* ,1993 [Books in Print Supplement](#) ,1977
