**A Girl Grew Up in Russia** Elisaveta Fen,1970 Elizaveta Fen s father was a provincial governor in Bielorussia The family lived in the Russian equivalent of Edwardian comfort Fen shares her story of her days in a boarding school and her aspirations to be a writer and to fall in love properly in love not into an adolescent infatuation She concludes with the day she set forth to meet real life at a university in St Petersburg in 1917 Elisaveta Fen Elisaveta Fen,1970 **Little Prairie Girl Growing Up: Moving!** Sharon Schnupp Kuepfer,2013-10-01 Little Prairie Girl Growing Up Moving is a riveting and inspiring sequel to Little Prairie Girl This book is sure to hold the interest of young and old alike with tales of Clara s adolescent years from the good ole days Follow Clara and her family as she moves from the Prairies of Manitoba to the fruit farming area of southern Ontario The author grew up hearing her mother Clara Durksen tell these stories about her growing up years and God s faithfulness This is the second book in the Little Prairie Girl Series Also available are Little Prairie Girl Item 3534 Little Pennsylvania Dutch Boy Item 3657 and Little Pennsylvania Dutch Boy Growing Up item 4108 152pp illus Masthof Press 2013 The Life and Tragedy of Alexandra Feodorovna, Empress of Russia Sofii[a] Buksgevdn (baronessa),1928 Describes the history of the vicu a alpaca llama and guanaco and their place in the folklore communities and cultures of South America **A Girl Grew Up in Russia** Elisaveta Fen,1972 **Russia's Women** Nina Nikolaevna Selivanova,1923 Historic Origin and Social Development of Family Life in Russia Elaine Pasvolsky Elnett,1926 **Out of Russia: The Ultimate True Twentieth Century Love Story** Brian Grover,2009-02-02 In 1931 Brian Grover fled the world recession to seek fortune and adventure in Stalin s murderously dangerous Soviet Union It was a move that was to dramatically change the course of his life At the Bolshoi Theatre in Moscow he met a beautiful young nurse named Ileana Petrovna Their meeting marked the beginning of a passionate and extra ordinary love affair that was to enchant the world Set against a background of political and social turmoil Out of Russia is the heart warming and exquisitely written true story of one man s courage bravery and unswerving determination to be with the woman he loved **Unattainable Bride Russia** Ellen Rutten,2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former s love In Unattainable Bride Russia Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia s rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration Unattainable Bride Russia locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia s modern cultural myths **The Peasant Poets of Russia** William

*Russia and the Russians* Edmund Noble,1900 Russia in the popular view of it is regarded as a far away country of but remote interest for all save a few of the western nations with whom it maintains more or less close political relations We ourselves are apt to think of it when we give it a thought in terms of one or other of those conventional judgments which the world at large passes upon communities that from time to time compel its attention but which it never thoroughly understands Nor does travel always enlighten us as to the value for our culture processes of a knowledge of this long isolated empire in the European northeast Extend our journey through Russia as we will we seem ever to find ourselves in few and poorly developed urban communities with their increasing proletariat where poverty intemperance and sanitary neglect go hand in hand and where the distance between the impecunious classes and the rich seems to grow greater year by year in an empire of peasants where the land yields but a sorry subsistence to the people who cultivate it people in whose minds superstition has more or less usurped the place left vacant by education and amid a general population of over a hundred million souls who continue to be held by a church supported autocracy in a condition of political serfdom p 1 2
