Ghetto Girls Rule in Marseille Toni B. Lane,2018-05-09 THE GHETTO GIRLS have somehow won a free trip to Marsay France to perform our play Ghetto Girls Rule Rose couldn't come because she is too little So it was me and my other sister Evelyn Our mama said we could go if Robin Ann took responsibility for us And since our mama hardly ever home she wouldn't miss us anyway Robin Ann said it would be a good chance to get away from her brothers and house responsibilities and them girls up the way When a senseless shooting ends the life of a dear friend in front of their very eyes the Ghetto Girls struggle to come to terms with the grief and fear that remains They need to get away from it all by any means necessary so when the opportunity to go on an all expenses paid trip to Marseilles France comes about the choice is simple for the twelve friends And if the invitation wasn't exactly intended for them well no one need be the wiser None of them not gum poppin tough talkin Beretta not aspiring lawyer Deen not even Leona with her fur coat and smattering of French are prepared for what lies ahead Will the young and hopeful Ghetto Girls return home triumphant or will everything just continue to fall apart By turns funny tense and deeply moving this novel's grounding in Black inner city teen culture rings all the more true when the girls find themselves in the strange and picturesque French city where they will have to depend on each other if they are to survive the adventure of a lifetime

Girls Gone Mild Wendy Shalit,2007-06-26 At twenty three Wendy Shalit punctured conventional wisdom with *A Return to Modesty* arguing that our hope for true lasting love is not a problem to be fixed but rather a wonderful instinct that forms the basis for civilization Now in *Girls Gone Mild* the brilliantly outspoken author investigates an emerging new movement Despite nearly naked teen models posing seductively to sell us practically everything and the proliferation of homemade sex tapes as star making vehicles a youth led rebellion is already changing course In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board These are not your mother's rebels In an age where pornography is mainstream teen clothing seems stripper patented and experts recommend that we learn to be emotionally detached about sex a key and callously targeted audience girls is fed up Drawing on numerous studies and interviews Shalit makes the case that today's virulent bad girl mindset most truly oppresses young women Nowadays as even the youngest teenage girls feel the pressure to become cold sex sirens put their bodies on public display and suppress their feelings in order to feel accepted and temporarily loved many young women are realizing that friends with benefits are often anything but And as these girls speak for themselves we see that what is expected of them

turns out to be very different from what is in their own hearts Shalit reveals how the media one s peers and even parents can undermine girls quests for their authentic selves details the problems of sex without intimacy and explains what it means to break from the herd mentality and choose integrity over popularity Written with sincerity and upbeat humor Girls Gone Mild rescues the good girl from the realm of mythology and old manners guides to show that today s version is the real rebel She is not people pleasing or repressed she is simply reclaiming her individuality These empowering stories are sure to be an inspiration to teenagers and parents alike

Think Lisa Bloom,2011-05-24 According to Lisa Bloom the women and girls of today represent a stark paradox While American women excel in education at every level they likewise obsessively focus on celebrity media While women outperform their male counterparts in employment in urban areas for the first time in history they simultaneously spend countless hours staring in the mirror contemplating plastic surgery Lisa Bloom fears that women are in danger of spiraling into a nation of dumbed down tabloid media obsessed reality TV addicts Too often they outsource matters to experts and in doing so neglect to truly think for themselves The solution Lisa Bloom has the solution and it involves one simple word Think In this provocative entertaining educational and thoroughly researched book Lisa outlines the ways that we as a society and particularly women have fallen off the intellectual path and very specifically points to how damaging this has been to us on many levels Lisa shows us the fallout but she also provides the solutions for Reclaiming the Brain God Gave You and seizing back control of your mind and your life Think is delivered in a no nonsense manner that will make you laugh make you question yourself make you squirm but most important make you start thinking again

The Good Girl Revolution Wendy Shalit,2008-07-08 Across the country there s a youth led rebellion challenging the status quo In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board These are not your mother s rebels Drawing on numerous studies and interviews the brilliant Wendy Shalit makes the case that today s virulent bad girl mindset truly oppresses young women She reveals how the media one s peers and even parents can undermine girls quests for their authentic selves and explains what it means to break from the herd mentality and choose integrity over popularity Written with sincerity and upbeat humor The Good Girl Revolution rescues the good girl from the realm of mythology and old manners guides to show that today s version is the real rebel Society may perceive the good girl as mild but Shalit demonstrates that she is in fact the opposite The new female role models are not people pleasing or repressed they are outspoken and reclaiming their individuality These empowering stories are sure to be an inspiration to teenagers and parents alike Join the conversation at www.thegoodgirlrevolution.com
