Gladstone 1865 1898:

Gladstone Richard Shannon,2000 Gladstone: 1865-1898 ,1865 **Gladstone's Influence in America** Stephen J. Peterson,2018-10-02 By the end of the nineteenth century William Gladstone was arguably the most popular statesman in America since Lincoln How did a British prime minister achieve such fame in an era of troubled Anglo American relations And what do press reactions to Gladstone s policies and published writings reveal about American society Tracing Gladstone s growing fame in the United States beginning with his first term as prime minister in 1868 until his death in 1898 this volume focuses on periodicals of the era to illuminate how Americans responded to modern influences in religion and politics His forays into religious controversy highlight the extent to which faith influenced the American cult of Gladstone Coverage of Gladstone s involvement in issues such as church disestablishment papal infallibility Christian orthodoxy atheism and agnosticism faith and science and liberal theology reveal deepening religious and cultural rifts in American society Gladstone s Influence in America offers the most comprehensive picture to date of the statesman s reputation in the United States

Gladstone: Gladstone : heroic minister 1865-1898 Richard Shannon,1982 **The Forgotten Prime Minister: The 14th Earl of Derby** Angus Hawkins,2008-09-11 Lord Derby was the first British statesman to become prime minister three times He remains the longest serving party leader in modern British politics heading the Conservative party for twenty two years from 1846 to 1868 He abolished slavery in the British Empire established a national system of education in Ireland was a prominent advocate for the 1832 Reform Act and as prime minister oversaw the introduction of the Second Reform Act in 1867 Yet no biography of Derby based upon his papers and correspondence has previously been published Alone of all Britain s premiers Derby has never received a full scholarly study examining his policies personality and beliefs Largely airbrushed out of our received view of Victorian politics Derby has become the forgotten prime minister This ground breaking biography based upon Derby s own papers and extensive archive as well as recently discovered sources fills this striking gap It completely revises the conventional portrait of Derby as a dull and apathetic politician revealing him as a complex astute influential and significant figure who had a profound effect on the politics and society of his time As Hawkins shows far from being an uninterested dilettante Derby played an instrumental role in directing Britain s path through the historic opportunities and challenges confronting the nation at a time of increasing political participation industrial pre eminence urban growth colonial expansion religious controversy and Irish tragedy This book is likely not only to change our view of Derby himself but also fundamentally to affect our understanding of nineteenth century British party politics the history of the Conservative party and the nature of public life in the Victorian age in general including some of its foremost figures such as Robert Peel Lord John Russell Lord Palmerston William Gladstone and Benjamin Disraeli Volume II opens with Derby s first period as prime minister in 1852 and takes us through to his death in 1869 British Liberalism and the United States Murney Gerlach,2001-07-19 While there are many works on British liberalism this is the first to deal substantially with the

transatlantic and international content of liberalism Gerlach considers the transatlantic thought of prominent contemporary figures such as William Gladstone John Morley William Harcourt and Andrew Carnegie A fascinating account that paves the way for the political and social rapprochement of the twentieth century *Benjamin Disraeli* Bernard Glassman,2003-04-18 Discusses Disraeli's image in his lifetime and the myth of the Jewish Prime Minister after his death During his life Disraeli was proud of his belonging to the noble Jewish race His friends and enemies as well never forgot that he was born a Jew When attacking him his political adversaries Gladstone and others first of all attacked his Jewish origins They questioned the sincerity of his baptism and his British patriotism The antisemitic campaign against Disraeli peaked in 1875-78 in the time of the Turkish atrocities when he was blamed for promoting Jewish interests Disraeli's death 1881 coincided with the beginning of a mass Jewish immigration to Britain and a revival of antisemitism in the country With the rise of political antisemitism throughout the Western world Disraeli became an example of the international Jew pushing for world power After World War I his image was also used by radical antisemites and especially the Nazis and their sympathizers as a demonstration of the world Jewish conspiracy Reader's Guide to British History D. M. Loades,2003 A masterful attempt to describe the historical secondary literature of the British Isles from prehistory to the present day the set is comprised of substantial essays of 1 000 to 3 000 words each on a wide array of subjects all written by pre eminent scholars in language accessible to beginning students and advanced researchers Each listed essay title is given a thorough annotation The Top 20 Reference Titles of the Year American Libraries May 2004 **The Holy See, British Policy and the Plan of Campaign in Ireland, 1885-93** Ambrose Macaulay,2002 The response of agrarian activists in Ireland to the crisis which from 1884 was precipitated by a decline in prices for cattle and dairy prices an increase in imports of grain from America Canada and Australia to the British market and a downturn in turn in the British economy was the founding of the Plan of Campaign in 1886 The Plan was a system of collective bargaining whereby the tenants offered their landlords a reasonable rent and if he declined lodged it with trustees who would use it together with funds from other sources to support them if they were evicted The Plan which was accompanied by the boycotting of those who aided evicting landlords was denounced to Rome by the Duke of Norfolk and Captain John Ross of Bladensburg as immoral A papal delegate was sent to Ireland on a fact finding mission in 1887 A decree condemning it was issued in April 1888 and caused consternation both among church and political leaders and the general catholic public The Vatican tried for the next couple of years to get a generally unenthusiastic hierarchy to implement the decree but with limited success Shortage of funds and the Parnell split eventually put an end to the Plan The decree and the reaction to it have long interested historians but until now no one has made use of the archives of the Roman congregations that were concerned with Irish agrarian and political issues It is hoped that this study will further illuminate this controverted period **The Triumph of Liberty** Jim Powell,2000 A dramatic narrative history of liberty from ancient times to the present is told through the inspiring life stories of 65 heroes and heroines from the crisis of

the Roman Republic to struggles for women's rights | *Kelly's Handbook to the Titled, Landed & Official Classes*, 1902
Contemporary Biography Carnegie Library of Pittsburgh, 1903 **The India List and India Office List for ...**, 1902
Disraeli's Jewishness Todd M. Endelman, 2002 The subject of Disraeli's Jewishness was one that obsessed contemporaries but was subsequently downplayed by historians and others until very recently The essays in this volume provide a new perspective stressing the importance of Disraeli's Jewishness in the construction of his personality ideology and politics as well as in responses to him This collection is an important addition not only to the understanding of Disraeli but also to the workings of race relations in Liberal Victorian Britain *Eton, Harrow and Winchester* Arthur Capel Molyneux Croome, 1922
Fifty Years of Sport at Oxford, Cambridge and the Great Public Schools: Eton, Harrow and Winchester Arthur Capel Molyneux Croome, 1922 **Catalogue of Printed Books** British Museum. Department of Printed Books, 1902 The Cumulative Book Index, 1930 **Joseph Cowen and Popular Radicalism on Tyneside, 1829-1900** Joan Allen, 2007 An in-depth look at Joseph Cowen newspaper magnate radical activist and member of parliament for the Liberal party this compilation brings together ethnic and urban studies and considers the role of the press in building a radical power base During his political career Cowen drew upon a coalition of support from working class associations the Irish community and regional interest groups and this study of his life describes how he remarkably championed the cause of the underdog
