Glimpses Of God:

A Glimpse of the Christ: Glimpses of God's Grace Richard J. Dick Hill,2014-10-29 The extreme value of what the Lord Jesus Christ accomplished while on earth is based on His true identity He asked His disciples the piercing question Who do men say that I the Son of Man am His identity continues to be questioned today The non Christian community and church members alike struggle to know Either Jesus Christ is God revealed in human flesh or He is not This is the very issue that divides the entire human race Evil powers continue to mount a steady assault upon the character of Christ To disgrace His character is to destroy the effect of His work on the cross A Glimpse of the Christ uncovers a clear path of biblical evidence revealing Christ's true identity It investigates the value of His cross work from several different angles This book unfolds from scripture the most amazing transformation in all of human history that God has become a man and concludes that God has been satisfied in Christ's death as payment for sin

A Glimpse of the Christ Richard J. Dick Hill,2007-02-01 A Glimpse of the Christ uncovers a clear path of Bible evidence revealing Christ's true identity and the value of His cross work This book unfolds from scripture the most amazing transformation in all of human history that God has become a man

A Glimpse of the Christian Richard J. "Dick". Hill,2009-09-01 A Glimpse of the Christian clarifies the true identity of Christians to a world that has become hazy on this subject Christians are called by God to do what they do because of who they are They do not become Christians based on what they do We are people who are connected to Christ by birth by position and by possession Because of this amazing connection we are left on this planet to produce fruit for God's glory A Glimpse of the Christian is just that a glimpse It gives the reader a good dose of Biblical theology on the identity and work of Christians without being too weighty The reader will find these nuggets of truth simple and easy to digest The more serious student will find the content meaty enough to be easily taught in a group setting

Glimpses of God Cookie Magee DMin,2023-03-17 Glimpses of God are opportunities to recognize with greater clarity the presence of God in the various places people events circumstances objects and languages of our daily life I offer them to you as an opportunity to reflect on how much God is a part of your life and how He has chosen to be in relationship with you how you have chosen to be in relationship with Him and how through this relationship you become one of His greatest Glimpses They are glimpses because we can miss them if we are not paying attention If we open our heart to His love our ears to hear his gentle whisper our eyes to see His light our hands to feel His hand in ours and our feet to walk with Him then we are growing in our relationship with our God and exuding His presence in a clear and vibrant way I believe that it is in and through this relationship that we are able to recognize His invitation to be a Glimpse to others on our life I believe it is then that we see more clearly His presence within ourselves As we recognize His presence within ourselves and strive to see it more readily in others then we grow not only in love with our God self and others we are filled with a deeper peace a

greater joy and a sense of being beloved If we are open to sharing these gifts with others then we too are being a Glimpse of God to those in our family our neighborhood our community our society our church our friends those we encounter on a daily basis and even the stranger

Glimpses of God Mike Black,2018-09-26 Quite often we see things only when we are looking for them This lead me to begin looking for glimpses of God in my day to day life and all the things that were directly part of my life or just in the world and events around me In the pages of this book are observations and insights from life glimpses of God that I only saw because I was looking for them for him I found insights into my heavenly Father and his relationship with me his child as I looked at and listened to everyday events as a father to my children That led me to insights about us as human beings in relation to God and each other That opened my eyes to new perspectives on scripture I became more aware of God s presence all around us It helped me bring God into my world This helped me realize our successes may mean more than we think and our failures may be of more value than we realize You have a very personal relationship with an almighty God who knows your name knows everything about you and desires a very personal relationship with you His relationship with you is different from any other relationship he has It s special to him Take it Own it Make it yours Look for him Catching glimpses of him day to day will change your perspective It will change your relationships with your family people around you even with yourself And it will change your relationship with God
