Edward Kennedy Burton Hersch, 2011-09-06 In this groundbreaking biography of Edward Kennedy historian and journalist Burton Hersch combines a lifetime of research and reporting with a lively mixture of never before told anecdotes including the

definitive version of the incident at Chappaquiddick the details of which Kennedy himself filled in for Hersh shortly after it occurred to create a broad yet unfailingly intimate portrait of the politician who would be universally acknowledged as one of the twentieth century's greatest American legislators Hersh was acquainted with Kennedy since his college days and the result here is a unique series of revelations that serve to reinterpret the senator's public and private personas Conditioned by deep seated fears that he was an afterthought within his own powerful family Kennedy developed a genius for conciliation and strategizing that made him a dramatically more effective political figure than either of his older brothers In addition to this biography's account of the Chappaquiddick incident Hersh also delivers the first full report of the vendetta between Kennedy and Richard Nixon exposing the behind the scenes manipulations to which Kennedy resorted to drive Nixon from office during the Watergate scandal

The Senator Richard E. Burke, William Hoffer, Marilyn Mona Hoffer, 1992 The Education of Edward Kennedy Burton Hersh, 1972 A family biography Ted Kennedy John A. Farrell, 2015-10-21

LONGLISTED FOR THE 2022 NATIONAL BOOK AWARD FOR NONFICTION An enthralling and groundbreaking new biography of one of modern America's most fascinating and consequential political figures drawing on important new sources by an award winning biographer who covered Kennedy closely for many years John A Farrell's magnificent biography of Edward M Kennedy is the first single volume life of the great figure since his death Farrell's long acquaintance with the Kennedy universe and the acclaim accorded his previous books including his New York Times best selling biography of Richard Nixon a finalist for the Pulitzer Prize helped garner him access to a remarkable range of new sources including segments of Kennedy's personal diary and his private confessions to members of his family in the days that followed the accident on Chappaquiddick Farrell is without question one of America's greatest political biographers and a storyteller of deep wisdom and empathy His book does full justice to this famously epic and turbulent life of almost unimaginable tragedy and triumph As the fourth son of the close knit but fiercely competitive Kennedy clan Ted was the runt of the litter Expelled from Harvard University for cheating he was a fun loving playboy who nevertheless served his brothers loyally and effectively It was easy to take Ted lightly and many did But when he was elected to the United States Senate at the age of thirty to fill his brother Jack's seat something unexpected happened He found his home and his calling there Over time Ted Kennedy would build arguably the most significant senatorial career in American history His life was buffeted by heartbreak the violent deaths of his three older brothers his own terrible plane crash his children's bouts with cancer and the hideous self inflicted wounds of Chappaquiddick and stretches of drinking and womanizing that caused irreparable damage to an already fragile first marriage Those wounds scarred Ted deeply but also tempered his character and eventually he embarked on a run as legislator party elder and paterfamilias of the Kennedy family that would change America for the better John A Farrell brings us the man as he was in strength and weakness his profound but complicated inheritance and his vital legacy as only a great biographer can do Without the story this book tells no understanding of modern America can be complete *Lion of*

the Senate Nick Littlefield, David Nexon, 2015 Two former top domestic policy advisors to Senator Ted Kennedy offer an inside look at the fight he took up that led the demoralized 1994 Democrats to push ahead with their agenda and reach across the aisle to work with Republicans to pass key progressive legislation NoveList *Good Ted, Bad Ted* Lester David, 1993 Good Ted a devoted father to his own sons and guardian to his brothers thirteen children an able legislator who has been described by colleagues as the best senator of his generation Bad Ted the world's oldest teenager As his political star ascended he was exposed as a relentless womanizer and drinker with no regard for public opinion Good Ted Bad Ted puts this paradoxical Kennedy in perspective and answers the question How can the two Teds coexist in the same individual Filled with startling new information this book reveals John Hinckley the man who shot President Reagan initially chose Senator Kennedy as his target He waited in Kennedy's office reception room for three hours with a loaded 22 caliber Saturday Night Special in his pocket Had the Senator not been late he would surely have been the third Kennedy to be assassinated Nixon was so terrified of facing Kennedy in the 1972 presidential election that he had his two top aides John Ehrlichman and H R Haldeman set up a team to ferret out any information they could get on Ted This pre Watergate plot was financed by 100 000 from CREEP the Committee to Re Elect the President Even Secretary of State Henry Kissinger rushed to Nixon with a hot rumor that proved wrong Only three years after Chappaquiddick Ted was a strong contender for the Democratic nomination for President leading in the polls by a wide margin and placing fourth in the Gallop Poll as the most admired American Readers will now know the real reason why he was not nominated It was not because of Chappaquiddick Ted's attempt to dissuade Aristotle Onassis from marrying Jackie Kennedy fearing that the marriage would harm the Kennedy clan Ted was roaring drunk at the White House and so were many New Frontiersmen the evening after JFK was buried A year by year rundown of Ted's women starting in 1969 and continuing to 1991 The Kennedy money is drying up Once one of America's great fortunes larger than the Rockefellers it is dwindling fast Now it barely qualifies for Forbes magazine's Four Hundred If nothing is done to augment the principal the fortune will be tapped out soon after the turn of the century Ted's marriage in 1992 to Victoria Reggie and the very positive influence she has had on his life both personal and political BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Edward M.
