Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history s most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes **The Pennsylvania School of Landscape Painting** Thomas Folk, 1984 **Masters of Light** Jennifer A. Bailey, Kevin Sharp, Lucinda H. Gedeon, 2006 Americans were introduced to Impressionism by the French in the 1880s They explored its expressive potential and debated its merits in the 1890s and by the turn of the 20th century American painters had seized the style for their own Included here are thirty superb examples of American Impressionist

painting by the seminal artists who redefined the movement for American audiences including Frank W Benson Mary Cassatt William Merritt Chase Childe Hassam John Singer Sargent John Henry Twachtman and others An essay by Kevin Sharp examines the unintentional circumstances and deliberate efforts that transformed Impressionism from an expression of the French vanguard into an international style and eventually into a peculiarly American enterprise **Celebrating 75 Years of Art** ,2005 **Winter's Promise** Barbara J.
