

# 5 EASY WAYS TO PRACTICE ACTIVE LISTENING

BY JACOB MORGAN

## BODY LANGUAGE

How you stand and present yourself sends a message. Good posture means you're focusing your attention on the person you're engaging with.

## UNDERSTANDING

Aim to truly understand what is being said. Don't just stand there and nod your head and then realize later that you have no idea what you just talked about.

## INTERRUPTING

Interrupting other people stops the flow of the conversation and makes it seem like what you have to say is more important than what the other person is saying.

## LOOK THEM IN THE EYE

Look someone in the eye when you talk to them. We are used to looking at screens these days, but we have to practice looking people in the eye.

## DON'T JUDGE

Don't judge people. Instead, put yourself in their shoes. This is empathy, which is one of the most important skills a leader can have.
