Girlfriends. A Postcard Book., 1999-09 [Oak Park in Vintage Postcards](#) Douglas Deuchler, 2003 Although it was first settled in the 1830s Oak Park did not become an independent municipality until it split from Cicero Township in 1902 No longer a rustic small town the village soon became a population magnet attracting ever larger numbers of prosperous progressive people to settle in what many soon referred to as the finest of the streetcar suburbs Coincidentally use of the penny picture postcard had approached a national mania during this era Thus from the earliest years of the 20th century the rapid growth and development of Oak Park was well documented even celebrated with a vast and varied array of outstanding postcard images

[The Invisible Mile](#) David Coventry, 2017-05-30 This acclaimed novel based on true events in the 1928 Tour de France is a powerful story of grim determination and one man's forlorn hope to conquer fear Publishers Weekly In 1928 the Ravat Wonder cycling team became the first English speaking peloton to compete in the Tour de France The riders hailing from New Zealand and Australia were treated as exotics and isolated by language and cultural barriers Underfinanced and undertrained the team faced one of the toughest routes in the race's history 5 476 kilometers over unsealed roads through a landscape heavy with the legacy of the Great War 162 cyclists began the race that year only 42 finished A deeply introspective book The Invisible Mile is narrated by a fictional unnamed rider on the Ravat Wonder team Speaking no French and knowing few of his fellow riders his race becomes a confrontation with memories of the Great War and a quest to understand his own place in its history He rides on the alternating highs of cocaine and opium pain and pleasure victory and defeat As he nears his final mile along the northern battlefields trauma exertion and his personal demons take over Bruising beautiful and ultimately transcendent there's a perfect thought on sport humanity or endurance on just about every page Markus Zusak author of The Book Thief

Curse of the Bearded Girlfriend Charles Haddad, 2021-06-08 The Curse of the Bearded Girlfriend is a tour de force of a coming of age novel set in the twilight of the hippie era The voice is of a grown man looking back on the adventure of his life when he was 17 With a friend he set out on an epic quest across the country via their outstretched thumbs The journey turns dark after they hitch a ride with a young woman whose mental state rapidly deteriorates While black comedy this story is also a painfully authentic portrayal of a teenage boy grappling with his budding feelings of lust love and the distinction between the two Think of Curse as a modern day Portnoy's Complaint

Postcards from the End of America Linh Dinh, 2017-02-21 Roaming the country by bus and train on a budget and without any institutional support Linh Dinh set out to document in words and pictures what life is like for people From Los Angeles Cheyenne Portland and New Orleans to Jackson and Wolf Point Linh walked miles and miles through unfamiliar neighborhoods talking to whoever would talk to him the homeless living in tent cities the peddlers the

protestors the public preachers the prostitutes With the uncompromising eye of a Walker Evans or a Dorothea Lange and the indomitable forthright prose of a modern day Nelson Algren or James Agee Dinh documents the appalling and the absurd with warmth and honesty giving voice to America's often forgotten citizens and championing the awesome strength it takes to survive for those on the bottom Growing out of a photo and political writing blog Linh has maintained since 2009 Postcards from the End of America is an unflinching diary of what Linh sees as the accelerating collapse of America Tracking the economic political and social unraveling from the casinos to the abandoned factories and over all the sidewalks in between with a poet's incisive tongue Linh shows us the uncanny power of the people in the face of societal devastation
