**Why Christians Should Not Tithe** James D. Quiggle,2009-08-01 The premise of Why Christians Should Not Tithe is simple God having freed his people from the Law through faith in Jesus Christ does not place on them a burden from the Law The thesis is equally as simple Christian giving is not a tithe Christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed Why Christians Should Not Tithe is a thorough discussion of the four tithes in Moses Law Jesus comments on tithing and the twenty one principles of giving developed by the apostles in Acts and the epistles Included is a brief review of the history of tithing from post apostolic times to the present The book concludes with a new paradigm for giving not based on the tithe but on the apostles doctrine of Christian giving Should Christians tithe to support the gospel Here is a study that will help every Christian discover the

biblical answer for him or her self     Tithing R. T. Kendall,1983 Reasons for tithing and answers to objections are all given in Tithing based on study of both the Old and New Testaments This book is essential reading on the subject of Christian stewardship     **You Mean I Don't Have to Tithe?** David A. Croteau,2010-02-01 Tithing is a well known church practice in our day and age but do church goers really practice it When did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don t Have to Tithe is a detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic Dr Croteau s intense tithing investigation will enable you to explore tithing and related topics in depth expounding many misconceptions of tithing as well as aiding in a correct understanding of this popular topic     **Tithing, Giving and the New Testament** Anastasios Kioulachoglou,2008-11 Tithing Giving and the New Testament sets out to examine tithing from the New Covenant s perspective and without preconceived ideas It starts examining tithing in the Old Testament Then explores what the New Testament says about giving Were the Christians in the 1st century churches the churches we find in the New Testament tithing How did they apply giving To whom did they give how much and based on which principle If they had a budget what would the items in this budget look like Inevitably it compares their practices with our practices There is much that can be learn about this topic from the Word of God and the purpose of this book is to bring it to light for the benefit and the enlightenment of the readers Anastasios Kioulachoglou is a business consultant and lay teacher in the body of Christ He is a native Greek speaker In his spare time he works on his Bible teaching online magazine The Journal of Biblical Accuracy www.jba.gr     **A Biblical Perspective On Tithing & Giving: A Believer's Stewardship Guide** Rich Brott,2008 According to author Rich Brott nothing happens in the economy of God until you give something away It is a universal law of God Giving is the trigger for God s financial miracles When you give to the Kingdom of God it will be given back to you We must do so in complete confidence that our God will not only meet our needs but allow us to have plenty left over so that we can joyfully share it with others When it comes to personal possessions money and wealth you cannot take it with you but you CAN send it on ahead Bottom line is this what you keep you will lose but what you give away you will gain When you become a faithful tither and a generous giver you become an individual whom God can bless     **Tithing after the Cross** David A. Croteau,2016-09-21 Some in the church find it very difficult to talk about money but it s a subject that cannot be avoided The church needs money to continue to function Missionaries need money to carry the gospel As a result however reluctant we are to talk about it we have to do so And when we do so we often generate more confusion and resentment than cash Some churches require that members be tithers before they can take positions of leadership This in turn can result in a sort of spying by one believer on another How much do we each earn Is our giving equal to 10% of our income On the other hand there are those who discount tithing and consider themselves tithers because they give two or three percent of their income They may say that they tithe 3% of their income But what exactly does the Bible teach about tithing and how does that apply to us today Is there a way for us to become grace filled givers Can

stewardship giving and financing the work of building the kingdom become a joy rather than a duty or a source of dissension David Croteau has written at length on this topic before In this volume of the Areopagus Critical Christian Issues series he undertakes a brief examination of tithing stewardship and giving He starts by asking just what the Israelites were called on to give by the scriptures He then follows through the various arguments in favor of tithing as a law applicable to Christians and shows how these arguments fail Finally he discusses a basis for gracious joyful giving as God directs each of us In just 96 pages including all the front matter you ll find your understanding of Christian stewardship changed You won t find here a license for apathy or selfishness Instead you ll find a challenge to discover and do God s will in your finances as in every other area of your life

*Tithing* Ryan Kimmel,2026-01-11 What does the Bible really teach about tithing and does it still matter today Tithing The Basics of Giving is a clear concise guide that cuts through confusion and shows how Christians can approach money with faith freedom and joy Drawing from both the Old and New Testaments this easy to read booklet explains the origins of tithing how Jesus and the early church approached giving and why generosity remains central to Christian discipleship Rather than presenting tithing as a rule to follow it highlights giving as an act of worship trust and gratitude Inside you ll discover Where tithing began and why God calls His people to give their firstfruits What tithing is and isn t including common misconceptions How the New Testament frames Christian giving with grace and generosity Why the local church remains the primary place believers give How tithes and offerings are used to support ministry mission and those in need Clear answers to common questions about amounts frequency income challenges and more Accessible and biblically grounded this booklet is perfect for new believers long time Christians and anyone wanting a simple trustworthy understanding of how to honor God with their finances A practical Scripture saturated resource reminding every believer Tithing should be a joy not a job

*Bring the Full Tithe* William D. Watley,1995 Shows the biblical foundation for tithing and the transformation that results when people offer their full tithes to God

[Should the Church Teach Tithing?](#) Russell Earl Kelly,2001-01-11 Following a thorough examination of every biblical text on tithing Dr Kelly concludes that the church would be best served spiritually by believing and applying better New Testament principles of giving After discussing sound biblical reasons for Christians to replace tithing he presents God s better principles of grace Doctrines such as the New Testament concept of law and covenant and the priesthood of believers are presented as they affect tithing Following several chapters which discuss disputed texts relating to pastoral support this book traces the early development of church support as found in the Church Fathers before Nicea This book leaves no question or objection about tithing unanswered It is a must read for any serious Bible student There is a wealth of other doctrinal insights to be gained as one goes through the Bible in search of the truth about tithing

**Giving and Tithing** Larry Burkett,1998 Giving and tithing something that concerns everyone Does God need your money What is a tithe Should you tithe from your net or your gross Why give to the church How can you know which organizations to support Although it is better to give than to receive giving is harder for most people Giving is

not only good stewardship it enables the church to help those in need Respected Christian financial expert Larry Burkett uses God s Word to show the strong biblical basis for giving to and serving in the church Using benevolence ministries as an example Burkett explains how God uses Christians to minister in His name This is accomplished by giving back to God a portion of what He has graciously given to us **Tithes and Offering** Ricardo R. Mercado,2009-09 In the book of 1 Chronicles is a story about a King named Solomon King Solomon burnt 1 000 offerings to God It was such a big offering that it moved God He was moved so much he himself came to visit Solomon Imagine how awesome it would be to have God himself come visit us because we did something to touch his heart How much more awesome would it be to hear him say to us ask anything of me When we give to the Kingdom of God the windows of heaven will open For Solomon God himself came to him he didn t send a messenger God loves a cheerful giver and he gave Solomon the opportunity of a lifetime Don t tithe to be blessed Tithe because you re already blessed w w w t i t h e s a n d o f f e r i n g c o m Israel carried God s presence in the ark We carry His presence in our hearts My name is Rick Mercado the developer of tithesandoffering com where we supply Lessons in Giving for Children and Youth Ministries Grace is my wife and Caleb Elijah and Joshua are my boys I joined the children s ministry in early 2002 After only three weeks my leader asked me to begin collecting the tithes and offerings at the Friday night meetings I was shocked because I didn t feel prepared for this important responsibility I had watched him conduct the offering asking the kids all sorts of questions leading to their planting of their seed But let s be honest I didn t understand what he was doing or why he was doing it God had something for me not only for my own personal life but also for His kingdom Thus was the beginning of my ministry of Tithes and Offering **Gems of Thought on Tithing** ,1911
