**A Glastonbury Romance** John Cowper Powys, 2026-01-29 Powys great visionary novel at last in Penguin Modern Classics One of the great cult novels a book that can be read and re read throughout a lifetime A Glastonbury Romance is John Cowper Powys masterpiece Set in a beautifully imagined fictional version of the West Country the novel inhabits a twentieth century under siege from older and stranger forces An epic work of terrific force and lyrical intensity interweaving the ancient with the modern the novel probes the mystical and spiritual ethos of Glastonbury and its association with the legend of the Grail At the heart of the book is the vision of one man who wishes to make Glastonbury again the great pilgrimage centre it once was But what really lies in this powerful landscape and why did so many men and women once come to it seeking redemption The edition used for this Penguin Classics edition is the original 1932 American text [John Cowper Powys and the Afterlife of Romanticism](#) Kim Wheatley, 2025-01-09 This study bridges the chronological divide between the Romantic era and the first six decades of the 20th century interpreting John Cowper Powys 1872 1963 as a major under recognized contributor to the cultural transmission of Romanticism Kim Wheatley s *John Cowper Powys and the Afterlife of Romanticism* uncovers the surprising extent to which this multi faceted Modernist era author reworked key concerns of the Romantic poets Wheatley shows how Powys s prose rewritings of Romantic poetry contribute to the story of the posthumous life of Romanticism especially its environmental legacy In particular the book expands our understanding of the early 20th century reception of William Wordsworth and John Keats Wheatley argues that Powys anticipates and presciently interrogates recent revisionary critical approaches to the Romantics primarily materialist eco critical approaches and therefore invites a fresh environmentalist criticism open to the transcendental and the supernatural Chapters range across Powys s extensive oeuvre investigating his treatment of Wordsworth and Keats in his works of fiction autobiographical writings popular philosophical books and essays of literary appreciation including his *Autobiography* 1934 his four major Wessex novels *Wolf Solent* 1929 *A Glastonbury Romance* 1932 *Weymouth Sands* 1934 and *Maiden Castle* 1936 and his later Welsh historical novels *Owen Glendower* 1941 and *Porius* 1951 Wheatley demonstrates how Powys uniquely combines sense based nature worship the leveling of animate and inanimate and care for disabled human beings along with mystical and magical themes into an all encompassing ecological vision more capacious than any imagined by the Romantics themselves
