Global Corporate Finance: A Focused Approach (Fourth Edition) Suk Hi Kim, 2023-11-02 Global Corporate Finance A Focused Approach 4th edition GCF4 introduces students and practitioners to the principles that are essential to the understanding of global financial problems and the policies that global business managers contend with. The objective of this book is to equip current and future business leaders with the tools they need to interpret the issues to make sound global financial decisions and to manage the wide variety of risks that modern businesses face in a competitive global environment. In line with its objective, the book stresses practical applications in a concise and straightforward manner without complex treatment of theoretical concepts. All the chapters in the 4th edition have been updated to include new materials, eliminate unnecessary outdated materials, and include more non-US materials. Each chapter contains the following four new items: an opening mini case, a global finance in practice, a list of key terms at the end of each chapter, and a closing mini case. The GCF4 is suitable for appropriate courses no matter where in the world it is taught because it does not adopt any specific national viewpoint. Moreover, it is self-contained and it combines theory and applications. The earlier editions of the GCF4 have been adopted by many colleges, universities, and management development programs worldwide, particularly because the book stresses practical applications in a user-friendly format. Supplementary materials are available to instructors who adopt this textbook. These include:

Global Corporate Finance Suk H. Kim, Seung H. Kim, 2009-02-09 Global Corporate Finance sixth edition provides students with the practical skills needed to understand global financial problems and techniques. It retains the user-friendly format of previous editions while offering expanded material on corporate finance and governance, international markets, global financial dynamics, and strategies, and risk management techniques. Each chapter begins with a real-world case study to be explained by theories and research findings presented throughout the chapter. End-of-chapter mini cases further reinforce students' understanding of the material covered. This edition is supported by a comprehensive Study Guide and an Instructor's Manual available at www.blackwellpublishing.com/kim.
