

Should students get a part-time job?

There's more than one reason to get a part-time job as a student. Here are some of the main benefits of working while at university.

1

Make money for bills and socialising

The average maintenance loan is nearly £300 less than the average student spend on living. A job can **help bridge the gap**.

2

Meet new people and start to network

A part-time job is a **great way to make friends or business contacts** that might benefit you in a future career.

3

Boost your CV with experience and skills

Working while studying can **improve your future employability**. This is especially true if you can find work in a related field.
