

Footprints In The Sand

One night I dreamed I was walking
along the beach with the LORD.

Many scenes from my life flashed across the sky.
In each scene I noticed footprints in the sand.

Sometimes there were two sets of footprints.
Other times there were one LORD's footprints.

This puzzled me because I noticed that during
the low periods of my life, when I was suffering
from sorrow, sorrow, or defeat, I could see only
one set of footprints.

So I asked the LORD, "You promised me, LORD,
that if I followed you, you would walk with me
always. But I noticed that during the most trying
periods of my life there were only one set of
footprints in the sand. Why, when I have needed
you the most, you would leave me?"

The LORD replied, "My precious child,
I love you and would never leave you.
The times when you have only seen one
set of footprints, that is when I carried you."
