Fall Gathering:

Circles of Power Barbara Summerhawk, La Verne Gagehabib, 2000 A compelling study of the Southern Oregon Women's Community one of the most vital and dynamic alternative communities to take root during America's back to the land movement of the 1970s The editors provide an in depth analysis of the roots heart and spirit of this lively and largely lesbian circle of women which extends from the border of Northern California up the I 5 corridor through Eugene Oregon **The Karankawa Indians of Texas** Robert A. Ricklis, 2010-05-28 Popular lore has long depicted the Karankawa Indians as primitive scavengers perhaps even cannibals who eked out a meager subsistence from fishing hunting and gathering on the Texas coastal plains That caricature according to Robert Ricklis hides the reality of a people who were well adapted to their environment skillful in using its resources and successful in maintaining their culture until the arrival of Anglo American settlers The Karankawa Indians of Texas is the first modern well researched history of the Karankawa from prehistoric times until their extinction in the nineteenth century Blending archaeological and ethnohistorical data into a lively narrative history Ricklis reveals the basic lifeway of the Karankawa a seasonal pattern that took them from large coastal fishing camps in winter to small dispersed hunting and gathering parties in summer In a most important finding he shows how after initial hostilities the Karankawa incorporated the Spanish missions into their subsistence pattern during the colonial period and coexisted peacefully with Euroamericans until the arrival of Anglo settlers in the 1820s and 1830s These findings will be of wide interest to everyone studying the interactions of Native American and European peoples **Moon Minnesota** Tim Bewer, 2007-01-23 Details on hiking through Savanna Portage State Park dining in the Twin Cities sight seeing in Bluff Country paddleboating through the Dalles of the St Croix and biking along the Mississippi Trip ideas include Best of Minnesota A Long Weekend in the Twin Cities Historic Minnesota and Wacky Minnesota The author is a writer photographer who lives in Minneapolis **Shelltown and the Hind Site: without special title**, 1993 **Cultural Resources** **Reconnaissance of the Albeni Falls Project, Northern Idaho** Christian J.
