Four Loves:

The Four Loves Clive Staples Lewis,1991 Analyzes the feelings and problems involved in different types of human love including familial affection friendship passion and charity **The Question of God** Armand Nicholi,2003-08-07 Compares and contrasts the beliefs of two famous thinkers Sigmund Freud and C S Lewis on topics ranging from the existence of God and morality to pain and suffering **True Love, Volume 1** Ricky Lee Ohl,2025-03-13 God JEHOVAH Father Son and Holy Spirit is love and a fundamental pillar of the person and word of God is God s love JEHOVAH sent his only begotten Son Jesus into the world because he loved mankind In Genesis 3 15 we learn that God made provision for the redemption of fallen mankind through the Savior Jesus Christ Jesus the Messiah is God s provision for the reconciliation of mankind with God Jesus has always existed with the Father and the Holy Spirit By him Jesus all visible and invisible things were created and by him all things consist Col 1 16 17 Hence the ultimate demonstration and provision of God s love to mankind is God becoming a man and giving himself as the required sacrifice for the salvation of those who will confess with their mouth the Lord Jesus and believe in their heart that God has raised him from the dead Jesus taught that the Great Commandment is to love God and the Second Commandment is to love one another God first loved us and we are to love God and mankind like Jesus loves us It is fundamental for mankind to seek to know God his love and his ways **Love in Recovery** Rachael

Love's Sacred Order Erasmo Leiva-Merikakis,2000-01-01 When seeking to understand Christian love with some precision we inevitably come to speak about order in loving The title of this book Love s Sacred Order is intended to address the problem of the need for clarification in the matter of love above all the question of the relationship among the different kinds of love all of which make their legitimate claim on us A central concern of these reflections is the fact that we can do as much harm to ourselves by being too restrictive as by being too permissive in what we allow to come under the heading of Christian love The main intent of these meditations is to explore what the hierarchy might be that God established among all our human loves on the one hand and between these and the gratuitously revealed love of God that uncreated mystery kept

secret for long ages to which we could not have had access if God himself had not taken the initiative to manifest it in Christ Jesus

Casablanca's Conscience Robert Weldon Whalen,2024-02-06 A new look at a beloved classic film that explores the philosophical dynamics of Casablanca Celebrating its eightieth anniversary this year Casablanca remains one of the world s most enduringly favorite movies It won three Academy Awards for Best Picture Best Director and Best Adapted Screenplay It is still commonly quoted We ll always have Paris and Here s looking at you kid And who can forget You must remember this a kiss is just a kiss Yet no one expected much to come of this little film certainly not its blockbuster stars or even the studio producing it So how did this hastily cranked out 1940s film despite its many limitations become one of the greatest films ever made How is it that year after year decade after decade it continues to appear in the lists of the greatest movies ever produced And why do audiences still weep when Rick and Ilsa part The answer according to Casablanca s Conscience is to paraphrase Rick It s true Much has already been written about the film and the career defining performances of Bogart and Bergman Casablanca is an epic tale of love betrayal and sacrifice set against the backdrop of World War II Yet decades later it continues to capture the imagination of filmgoers In Casablanca s Conscience author Robert Weldon Whalen explains why it still resonates so deeply Applying a new lens to an old classic Whalen focuses on the film s timeless themes Exile Purgatory Irony Love Resistance and Memory He then engages the fictional characters Rick Ilsa and the others against the philosophical and theological discourse of their real contemporaries Hannah Arendt Dietrich Bonhoeffer and Albert Camus The relationships between fictional and historical persons illuminate both the film s era as well as perennial human concerns Both the film and the work of the philosophers explore dimensions of the human experience which while extreme are familiar to everyone It s the themes that resonate with the viewer that have sustained it as an evergreen classic all these years
