Hazardous Duty:

Hazardous Duty David H. Hackworth,1997-09-01 The author of the phenomenal New York Times bestseller About Face Colonel David H Hackworth is one of America s most decorated soldiers having served at the end of World War II and in Korea and Vietnam Retired from the military since 1971 he has completed second tour of battlefield duty this time as a war correspondent accompanying our nation s fighting men and women to the Persian Gulf Bosnia Somalia Korea and Haiti What he learned of high level military incompetence futility and corruption in the heat and fury of Desert Storm and in the desperation of the Balkans and Mogadishu is shocking frightening and infuriating and it must be told Hazardous Duty is a necessary wake up call for military reform a no holds barred no punches pulled expos that calls America s top political and military leaders to account for selling out duty honor and country It is riveting real life adventure of courageous warriors on the world s new battlefields and of their systematic betrayal by the weakness of an increasingly wasteful and inept high command It offers essential solutions to problems that must be addressed if our nation is to remain the foremost military power in a volatile and ever changing world
