## **He Followed Me Home:**

*Follow Me Home* Cathy Woodman, 2015-07-15 Life has been tough for village midwife Zara Recently divorced and living with her grandmother Zara is struggling to get back on track Until one day love walks in in the form of an abandoned puppy Although Zara adores her new friend the puppy causes havoc wherever they go so she is grateful when a local shepherd Lewis offers to train her But Lewis has an ulterior motive for helping And though Zara may be able to trust him with her naughty dog can she trust him with her bruised heart

**Follow Me Home** William Hoffman, 1999-03-01 William Hoffman is a master storyteller and *Follow Me Home* reveals him at his inimitable best In these eleven brilliantly observed superbly crafted stories he explores one of the most secret places of the human heart the corner where we keep hidden the small and precious supply of whatever it is that lets us persist and sometimes even triumph in the face of life's inescapable diminishment and losses In Hoffman's characters the content of this inner reservoir varies greatly For the hill farmer in *Abide with Me* it is a form of direct grace granted to him in a near death vision For the disabled veteran in *Night Sport* it is a bitter concoction of disillusionment and raw truth carried home from a distant war For the quietly retired minister in *Sweet Armageddon* unexpectedly given a glimpse of the life he long ago forsook it is a prayerful wish for annihilation On a less apocalyptic scale in the haunting *Points* a once great horseman finds sustenance in a remembered world of elegance and courage a world that like his skills is rapidly fading In *Dancer* a bereft and lonely woman retreats into the music of her youth birds becoming quarter notes that fill the sky In *Expiation* a self made executive after many years comes to terms with his own childhood even though it means ending the lie on which his marriage is built And in *Coals* a maid and cook calls on her own reserves of spirit to bring her employer a renewal of life Set in the small towns cities hills and seascapes of Virginia territory Hoffman knows as well as any writer ever has the stories of *Follow Me Home* reveal to us men and women we know and care about for in their struggles win or lose we recognize ourselves

**Follow Me Home** Kristina Circelli, 2016-08-02 Tessa Taylor thought she left her past behind until evil followed her home It begins as whispers across her mind and a voice reminding her of a painful past Then come the nightmares blinding visions of bloodlust and vengeance Now Tessa is in a fight for her own sanity as she desperately seeks answers to the madness consuming her A trip back to where it all began reveals the terrifying truth Savannah's most haunted house harbors a wicked secret one that Tessa can't accept But the more she fights the temptations leading her back to that dark place of her childhood the faster she loses herself to an ancient evil influence After her fianc and best friend join the fight to save her soul Tessa finds she must escape the most horrifying of realities A demon followed her home from that haunted house and it has entered into a bid for her soul
