Educating Gina:

Educating Gina Debbi Rawlins, 2010-11-15 Love may be the international language but sex is more fun to learn Sure Gina Ferraro grew up in sheltered convent schools in her native Tuscany but that doesn't mean she doesn't know a thing or two about men After all she's seen Sex and the City So when she arrives in New York to visit relatives Gina knows what she's after a gorgeous guy willing to help further her education Sex education that is For Mike Mason escorting his boss's niece around town for the whole month should be a breeze Show her the sights take in a few shows how hard could it be Little does he know that his job and his much ignored libido will be on the line when the reputedly shy bookish niece turns out to be hot sexy Gina ready to finally indulge her fantasies on her trip to America with Mike [Educating Gina](#) □□□□□, 2019

Teaching Through Play Bennett, Neville, 1997-01-01 This book is based on the findings of a research project into Reception Teachers Theories of Play funded by the Economic Social Research Council There is strong ideological and theoretical support for a play based curriculum in the early years But evidence suggests that teachers find this difficult to translate into practice The educational potential of play is not realized This study focuses on nine reception class teachers ranging from novices to experts in order to discover their theories of play and how these relate to classroom practice The data reveal new insights into how they strive to incorporate play into the curriculum in contrasting ways and the constraints they encounter in this process There is a need to improve the quality of teaching and learning through play Teaching Through Play makes a valuable contribution to this process

Online Education for Teachers of English as a Global Language Hyun-Sook Kang, Dong-shin Shin, Tony Cimasko, 2020-06-01 This collection offers a critical examination of online language teacher education programs OLTE looking at a range of issues which have informed their development and the challenges and opportunities in their implementation from a TESOL perspective Positioning itself uniquely amongst the growing literature at the nexus of technology and language learning the book focuses on language teacher education programs designed for academic and professional credentials in online environments Introductory sections provide a brief historical overview of the OLTEs as we know them today with examples from a global range of programs toward demonstrating their theoretical and philosophical foundations The second section of the book explores the paradigm shifts borne out of OLTE in the modes media and tasks employed and their subsequent impact on instructional efficacy Subsequent chapters turn a critical lens on OLTE in raising questions around accessibility its implementation in less technologically developed environments issues of quality measures and accreditation and practicum concerns Taken together this collection is a state of the art of online language teacher education programs and lays the groundwork for future research on the nexus of online education teacher education and applied linguistics **Get Ready ...
