**The Essential Jesus** Whitney T. Kuniholm, 2007-12-06 Whitney T Kuniholm will help you discover who Jesus is and why he is so significant even life transforming Through 100 Old and New Testament readings you will discover why God sent Jesus Whether alone or in a group setting you can discover for yourself what makes Jesus so special **The Essential Jesus** John Dominic Crossan, 2008-03-01 After his definitive *The Historical Jesus* John Dominic Crossan delivered *Jesus A Revolutionary Biography* a popularized bestselling account of what we can know about the life of Jesus Here he offers the core of his life's work a concise and astonishing presentation of the authentic teachings and earliest images of the revolutionary Galilean sage Crossan's fresh translations of Jesus sayings show Jesus to be a teacher whose radical message that all are equal before God is as timely today as it was two thousand years ago This picture is dramatically confirmed by the preConstantinian Christian renderings of Jesus which show that he was remembered by the first Christians not as God but as a revolutionary healer and leader **The Essential Jesus** Matthias Media, 2021-11 **The Essential Jesus**, 2008 the story of the most extraordinary and influential man ever to have walked on this planet Jesus of Nazareth The biography or Gospel of Jesus life was written nearly 2000 years ago by a doctor named Luke It's been speaking to people of every background race and situation ever since **The Essential Jesus** William G. Johnson, 2002-01-01 **The Essential Jesus Youth Edition** Doug Fields, 2014-08-15 WHO IS JESUS NO REALLY Most of us know something about Jesus Maybe we attended Sunday school or when surfing channels we heard TV vangelists talk about Jesus But is he really such a big deal The Essential Jesus Youth Edition will help you discover who Jesus is and why he has transformed so many lives Through both Old and New Testament readings you will learn why God sent Jesus what Jesus taught how Jesus treated people why he performed miracles the meaning of his death the significance of his resurrection what the Bible says about his second coming and much more Whether reading *The Essential Jesus Youth Edition* alone or with a group you can decide who Jesus is for yourself **The Essential Jesus** Dominic J. Crossan, 1998 This concise presentation of the authentic teachings of Christ is accompanied by historical images of Jesus Crossan's fresh translations of Jesus sayings show him to be a teacher whose revolutionary message is as timely today as it was two thousand years ago B W illus **Adventures of an Itinerant Imagination** Bernard Brandon Scott, 2025-06-25 John Dominic Crossan is the most important scholar on the historical Jesus since David Fredrick Strauss in the nineteenth century Both his scholarly *The Historical Jesus The Life of a Mediterranean Jewish Peasant* 1991 and the more popular *Jesus A Revolutionary Biography* 1994 made the bestsellers list But the scope of his work goes well beyond the historical Jesus to studies on the death of Jesus and anti-Semitism Christianity and empire archaeology the apostle Paul the Pharisee and recently apocalyptic and the environment He addresses both scholarly and popular audiences ancient sources and contemporary concerns The essays in this volume explore and access the range of his work for his various audiences Some of the essays are scholarly in tone while others are quite personal A feature of this book

McLeod-Harrison, 2019-10-29 What happens when the wrench of evolution is dropped into the hopper of Christian theology Written by a philosopher Saving the Neanderthals takes evolution as its foil and shows what might have to change in Christian theology in order to make theology compatible with evolution If the Christian faith is shown consistent with what Mark S McLeod Harrison calls hard evolution then the softer versions will also be compatible Indeed that is exactly what the book argues specifically for the Christian doctrines of sin and salvation These doctrines typically rely on some fairly strong realist version of essentialism which hard evolution denies but McLeod Harrison proposes an approach to sin and salvation that is compatible with the anti essentialist claims of hard evolution

America, 1919 The Jesuit review of faith and culture Nov 13 2017      **Living a Fulfilled Life** Abel Thomas, 2006

Footsteps David Bonn, 2006-08 I never meant to write a book about Jesus I just wanted to read the bible for myself at least once all the way through as an act of respect for my ancestors After all I am built out of these folks and their God Sunday school taught stories to mold me into a moral human being How Fear hellfire and brimstone if I misbehaved Old Testament stuff Churches still scare me In fact that seems to be their strategy The New Testament is different As it turns out Jesus is an anarchist An anarchist is anyone that does not need the law or a cop to tell them the right thing to do Jesus drives responsibility and freedom down to their most fundamental level into me What is right in this world If I just listen I know it in my heart In the human heart all is known This is what Jesus shows me the open door between the human heart and the Holy Ghost I invite you to take a look into your own heart to see if what I say in Footsteps is true      Outlook Alfred Emanuel Smith, Francis Walton, 1884      *The Historical Jesus* Prof James H. Charlesworth, 2008-01-01 Recent years have seen an explosion of talk about the historical Jesus from scholarly settings as well as media outlets including sensational TV documentaries and national magazines How is the student of the Bible to assess these various claims about Jesus And what difference does knowledge of his time and place make for Christian faith theological thinking and historical research James Charlesworth presents the solid results of modern study into the life and times of Jesus especially regarding the role of the Essenes the significance of the Dead Sea Scrolls the nature of messianic expectation and much more No one today is better equipped than James Charlesworth to lead students through the thickets of controversy that surround much of contemporary historical Jesus research This Abingdon Essential Guide will fulfill the need for a brief substantive yet highly accessible introduction to this core area of New Testament studies Drawing on the best in current scholarship written with the need of students foremost in mind addressed to learners in a number of contexts this Essential Guide will be the first choice of those who wish to acquaint themselves or their students with the broad scope of issues perspectives and subject matters relating to

modern quests for the historical Jesus It will also be a preferred text for those who need or want to refresh their knowledge regarding the context within which Jesus lived in preparation for leading church discussion groups in studies of the Gospels
