Glass Heartstrings:

Glass Heartstrings Luanne Rowder,1997 **Heart Strings** Claire Merchant,2018-02-14 Newly graduated music lover Nicole Nero knows exactly what she wants out of life a job at South Coast s most prominent record label a comfortable place to live and the affection of the gorgeous and talented musician Elijah West The only problem is Nicole is under qualified broke and invisible As she fights to turn her luck around Nicole discovers that not everything is as it seems and some of what she once wanted isn t what she wants any more Will she figure it out before it s too late Or will she lose everything and end up worse off than before *Humbugs and Heartstrings* Catherine Ferguson,2014-10-02 The most delightful Christmas tale I have ever read Girls Love to Read A festive story about love friendships and a sprinkling of Christmas magic Perfect for fans of Jenny Colgan and Lucy Diamond **That Kiss From Heaven Fell On My Heart** C. Nicole Treadwell,2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it s true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a dangerously ambitious judge in the Nation s Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she s afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can t save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole s former law school chumb and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole s boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole s harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole s secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late **Melting the Trauma Doc's Heart** Alison Roberts,2019-10-01 He ran away from his past Is she a reason to stop running Trauma

doctor Zac Cameron escaped the horrors of the battlefield and settled in a small community hospital He s just about coping until an unexpected visitor renowned surgeon Dr Olivia Donaldson whirls into town She might be his boss s estranged daughter but their chemistry s instant and irresistible Yet Zac s emotions are completely off limits unless Olivia s the one who can thaw his frozen heart I read this in one sitting This was such a heart felt story I loved the characters The author really did a fantastic job I highly recommend this story to anyone It was a real treat to read Goodreads on Pregnant with Her Best Friend s Baby This had a little bit of everything dipping its toes into fairytale waters and bringing a Cinderella like feel And Alison Roberts balances everything pretty much perfectly bringing an uplifting romance between two endearing characters which simply leaves your heart sighing happily Goodreads on Their Newborn Baby Gift *Spell Read Write & Grammar* ,
